Silas

CreateSpace Tempest Call me Robin Hood. I'm a grifter. A con artist. I don't just steal from the rich. I take from the worst of the worst, the people who deserve to be hustled. I have two rules - keep moving and never fall in love. I only ever thought about breaking them for one boy. And that boy just walked right back into my life, a ghost from the past. Silas Saint. Now he's a man. Arrogant and sexy as f**k, he's sure as hell not the person I fell in love with, a lifetime ago. But when he touches me, it's enough to make me forget my own name. He makes me want to break all my rules. Silas I've been fighting as long as I could remember. Sh**, I think I came out of the womb swinging. I even tried to go legit until trouble sent me out of Las Vegas and back to West Bend. I never expected a different kind of trouble to come waltzing back into my life, all curves and tattoos and sass. Tempest Wilde. Any idea what "tempest" means? A violent f**cking windstorm. That's s**t I don't need. I loved her once, a lifetime ago. Before I knew better. Love is for suckers, and I'm sure as hell not a sucker. But the way she looks at me? It makes me want to give her everything I have.

Elias

CreateSpace River Andrews Call me Cinderella. I'm a rags to riches story - girl from trailer park becomes Hollywood starlet. And I'm about to get my happy ever after. That is, until I walk in to my house, three hours before my wedding, to find my rock star fiance sticking his c**k down my sister's throat. With cameras behind me, filming. I'm running from the whole humiliating thing. I'm not prepared to run straight into him- Elias Saint. He's completely wrong for me- damaged, dirty, and demanding. But once he touches me, I can't walk away. Elias Saint Some people carry their wounds on the inside. Every f**cking step I take, I'm reminded of mine. I lost my leg in Afghanistan. Since then, I've just been lost. Now I'm going back to West Bend, Colorado, the place my brothers and I ran like hell to get away from. And she's hitched a ride- River Andrews. A f**cking movie star. This isn't a fairytale. Happy endings don't exist. And I'm no f**ing Prince Charming. But, for her, there's a chance I might be.

Luke

Luke F**k being good. I won't be tamed. There are three things in life I'm damn good at: f**king, jumping out of planes, and chasing forest fires. Settle down? With someone like Autumn Mayburn? Forget it. She's uptight, smart-mouthed, and hell, she has a kid. She's ten years older than me. There are a million reasons I shouldn't touch her. F**k all of those reasons. The single mama with the smokin' hot body and the sass to match is going to be mine. Autumn I hate bad boys. Especially infuriatingly cocky, womanizing, ooze-sex-from-every-pore bad boys. I'm a mom. A businesswoman. I have responsibilities. The last thing I need is to get played by Luke Saint. He thinks that just because he saved my orchard from a fire, he can tell me how to run it. He thinks he knows what I need, what I crave. The problem is, I think he might be right.

Killian

White picket fence and a family...with that man? Yeah, right. Lily Killian Saint is wild and untamed, gruff and solitary, an arrogant loner from a family that people in West Bend say is no good. I should know better. A man like Killian should have no part of my life, not with a kid to raise and a bakery to run. Not even if the way his hands feel, rough against my skin, sets every part of my body on fire. Not even if the dirty things he whispers into my ear leave me so on edge I can't think about anything but his lips on mine. Everything about Killian is wrong. The problem is, nothing has ever felt so right. Killian In life, I make my own rules. Rule #1? No wife and definitely no kids. A woman like Lily Grant? Hell, no. She talks too much and has too many damn opinions. And that kid of hers might be more of a smart-mouth than she is. I should walk away. But once I taste her sweet lips, I want to possess every inch of her. This woman is mine - even if she doesn't know it.

Truest

Katherine Tegen Books A breathtaking debut brings us the unforgettable story of a small-town love, big dreams, and family drama. Silas Hart has seriously shaken up Westlin Beck's small-town life. Brand-new to town, Silas is different from the guys in Green Lake. He's curious, poetic, philosophical, maddening—and really, really cute. But Silas has a sister—and she has a secret. And West has a boyfriend. And life in Green Lake is about to change forever. Truest is a stunning, addictive debut. Romantic, fun, tender, and satisfying, it asks as many questions as it answers. Perfect for fans of The Fault in Our Stars and Ten Things We Did (and Probably Shouldn't Have).

It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. Silas House

Exploring an Appalachian Writer's Work

University Press of Kentucky Bestselling author, journalist, playwright, and activist Silas House has focused nearly all of his work on Appalachia. His acclaimed and diverse body of work includes the novels *Clay's Quilt*, *A Parchment of Leaves*, *The Coal Tattoo*, *Eli the Good*, and *Southernmost*. Well known for its lyrical style, diverse and sympathetic characters, and political engagement, House's work is overdue for deeper critical study. In this groundbreaking book, editor and coauthor Sylvia Bailey Shurbutt brings together established and rising scholars to discuss House and his writings through a critical lens. Various chapters address different aspects of House's fiction and nonfiction, including the ways in which he deconstructs regional stereotypes, how he explores issues of diversity, his environmental activism, and his approach to LGBTQ issues. The collection begins with a foreword by Denise Giardina and concludes with a chapter by celebrated poet Maurice Manning exploring the lyricism that distinguishes House's work. Featuring an interview with House that further illuminates his philosophy and art, this timely volume offers an important critical appraisal of his oeuvre to date and illustrates why he is one of the most significant voices in Appalachian and American literature today.

Malcolm

While Malcolm Hyde may look like your very own personal Jesus, he's anything but a saint. Covered in tattoos and leather, he's a smoking hot biker and nothing but trouble. As the president of the Dirty Aces MC, Malcolm is known for being cold and calculating. One bad decision - getting into business with the wrong person - is all it takes to bring down the entire MC. It's happened before to his predecessor, which is why Malcolm refuses to let it happen again on his watch. He doesn't trust anyone except for the few men who wear the same ace of spades patch on their back. And that's exactly why he doesn't ever take his eyes off of me - the new girl. I never intended to make an enemy out of Malcolm or the MC when I was sent to steal everything I could from them. After Malcolm finds out what I've been doing, he's furious and shows no mercy until I spill all of my secrets, ones that could very well end my life. That's when he makes me a surprising offer - he's willing to take care of all of my problems, and the only thing he's asking for in return is for me to completely surrender myself to him. Spending two weeks in bed with a bad boy biker sounds more like a reward than a punishment. There's just one little catch - once he claims my body, there's no guarantee he won't steal my heart too.

Preston's Honor

Mia Sheridan There were two brothers—identical twins—and though I loved them both, my soul belonged to only one. Annalia Del Valle has loved Preston Sawyer all her life. The daughter of an impoverished migrant farmworker, she grew up as an outcast in what was no more than a tiny, cooped up shack in California's Central Valley. But her heart found freedom in the land, in the wide-open spaces of Sawyer Farm, and in the boys who were her only friends. Preston has yearned for Annalia since he was a boy. But a sense of honor kept him from pursuing her until he's unable to hold back any longer and their worlds—and bodies—collide one hot summer night. A night that sets off a chain of events that will alter their lives forever. Now Annalia is back in town after disappearing without a trace for six long months. Determined to reclaim her heart, her life, and the baby she left behind—the son who was created in a moment of lust and love and pent-up yearning. Preston has survived grief, a ravaging drought, and the despair of heartache, but he's not sure he can survive Annalia again. And he might be unwilling to try. Will pride and bitterness keep him from the one thing he's always longed for? How do you heal what is irreparably broken? How do you forgive that which is unforgivable? How do you discover that real honor comes not from circumstance, but from the place deep in our hearts where truth resides? And how do you move beyond the wounds of the past to discover that some loves are as solid as the ground beneath your feet, and as enduring as the earth itself? THIS IS A STAND-ALONE SIGN OF LOVE NOVEL, INSPIRED BY GEMINI. New Adult Contemporary Romance: Due to strong language and sexual content, this book is not intended for readers under the age of 18.
