IF I NEVER SAY MORE

FOR LOVERS OF POETRY... AND THOSE WHO WILL BE NOW

Author House If I Never Say More is a walk on the high ground of contemporary poetry. Its imagery summons the music of midnight and opens the windows of memory. By a writer who is both artist and philosopher, you are propelled through emotional experience and intellectual challenge with a force that dares you to put down the book. Sometimes you will recognize what you have thought but not expressed. Often you will find totally new views of familiar subjects. You will be rocked in the warm arms of remembered tenderness and jolted by the cold blast of unmasked truth. And when you have finished If I Never Say More, you will be asking for more.

HIGH SPEED, LOW COST

THE STORY OF A 140 MPH MINI ENGINED WORLD RECORD BREAKER AND HOW TO BUILD IT

Motorbooks International Entries for each vehicle include such information as a history of changes to a model, where the vehicle was made, shipping weight, factory price, and seating accommodations

MURRAY WALKER: INCREDIBLE!

A TRIBUTE TO A FORMULA 1 LEGEND

Random House 'A BRILLIANT TRIBUTE TO A BRILLIANT MAN.' BOOK OF THE MONTH - CLASSIC AND SPORTS CAR --- A celebration of the extraordinary life of legendary commentator Murray Walker, with tributes from key figures in Formula 1 and motorsport. Murray Walker was the voice of Formula One, matching the thrill of the track with his equally fast-paced and exhilarating commentary, delivering the euphoria of motor racing to millions. Commentating on his first grand prix for the BBC at Silverstone in 1949, Murray's broadcasting career spanned over fifty years. His natural warmth and infectious enthusiasm won great affection with audiences,

whilst his passion and knowledge of motorsport allowed him to hone his instinctive presenting style into a craft. When Murray passed away in March 2021, tributes came flooding in from every corner of the sporting world. This book, compiled by Murray's great friend and colleague Maurice Hamilton, celebrates the extraordinary life of this truly legendary man. With contributions from drivers and industry figures, and many friends from the world of motorsport and beyond, *Incredible!* combines fond memories, never-before-told stories and famous Murrayisms with reflections on the highlights of a life lived at full throttle.

AUTO REPAIR FOR DUMMIES

John Wiley & Sons Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as *Auto Repair For Dummies, 2nd Edition (9780764599026)*. While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the *Los Angeles Times* and has been interviewed on the *Today* show, *NBC Nightly News*, and other television programs.

A SECRET SORROW

HARLEQUIN COMICS

Harlequin / SB Creative After her nightmarish recovery from a serious car accident, Faye gets horrible news from her doctor, and it hits her hard like a rock: she can't bear children. In extreme shock, she breaks off her engagement, leaves her job and confines herself in her family home. One day, she meets her brother's best friend, and her soul makes a first step to healing.

INFORMATION TECHNOLOGY

MADE SIMPLE

Elsevier Information Technology: Made Simple covers the full range of information technology topics, including more traditional subjects such as programming

languages, data processing, and systems analysis. The book discusses information revolution, including topics about microchips, information processing operations, analog and digital systems, information processing system, and systems analysis. The text also describes computers, computer hardware, microprocessors, and microcomputers. The peripheral devices connected to the central processing unit; the main types of system software; application software; and graphics and multimedia are also considered. The book tackles equipment, software, and procedures involved in computer communications; available telecommunications services; and data and transaction processing. The text also presents topics about computer-integrated manufacturing; the technology of information processing and its business applications; and the impact of this technology on society in general. Students taking computer and information technology courses will find the book useful.

It will fascinate old collectors and attract many new ones!

EUROPEAN COMMUNITY LAW

AN INTRODUCTION

Butterworth-Heinemann La 4e de couverture indique : "European community law - an introduction provides an overview of community law, covering the origins of the community and the institutions as well as the substantive law. It is the first publication to take into account the Scottish dimension of the subject and will be of interest not only to students but to practitioners wishing to expand their European practices."

MYTHS, LIES AND OLD AGE

Beaten Track Publishing Myths, Lies and Old Age: a collection of poems by Bob Eccleston. Within these pages there are myths: some known, some newly created, some yet to occur and some which may prove to be reality. There are vistas of old age from a viewpoint which does not preclude a future or a sense of humour; where the use of set forms indicates maturity and balance. There are lies aplenty although different readers may have different views as to where they occur. There is love and murder, hope and despair, tragedy and comedy; even nonsense. There is a modicum of sex involving two amorous seals. In short, there is variety and, hopefully, enjoyment.

THE MOTOR

WILLIAM SHAKESPEARE'S LONG LOST FIRST PLAY (ABRIDGED)

Broadway Play Publishing Discovered in a treasure-filled parking lot in Leicester, England (next to a pile of bones that didn't look that important), an ancient manuscript proves to be the long-lost first play written by none other than seventeen-year-old William Shakespeare from Stratford. We are totally not completely making this up. WILLIAM SHAKESPEARE'S LONG LOST FIRST PLAY (abridged) is the literary holy grail: an actual manuscript in Shakespeare's own hand showing all his most famous characters and familiar speeches in a brand-new story. But because it's one hundred hours long and contains multiple unwieldy storylines, it was decided, as a public service, to abridge it down to a brief and palatable ninety-minute performance for this lost masterpiece. "Something wickedly funny this way comes!" The New York Times "A breathlessly irreverent, pun-filled romp!" The Washington Post "A top-notch comic deconstruction of Shakespeare!" The Stage--U K

THERE WAS A COUNTRY

A PERSONAL HISTORY OF BIAFRA

Penguin UK From the legendary author of *Things Fall Apart* comes this long-awaited memoir recalling Chinua Achebe's personal experiences of and reflections on the Biafran War, one of Nigeria's most tragic civil wars. Chinua Achebe, the author of *Things Fall Apart*, was a writer whose moral courage and storytelling gifts have left an enduring stamp on world literature. *There Was a Country* was his long-awaited account of coming of age during the defining experience of his life: the Nigerian Civil War, also known as the Biafran War of 1967-1970. It became infamous around the world for its impact on the Biafrans, who were starved to death by the Nigerian government in one of the twentieth century's greatest humanitarian disasters. Caught up in the atrocities were Chinua Achebe and his young family. Achebe, already a world-renowned novelist, served his Biafran homeland as a roving cultural ambassador, witnessing the war's full horror first-hand. Immediately after the war, he took an academic post in the United States, and for over forty years he maintained a considered silence on those terrible years, addressing them only obliquely through his poetry. After years in the making *There Was A Country* presents his towering reckoning with one of modern Africa's most fateful experiences, both as he lived it and came to understand it. Marrying history and memoir, with the author's poetry woven throughout, *There Was a Country* is a distillation of vivid observation and considered research and reflection. It relates Nigeria's birth pangs in the context of Achebe's own development as a man and a writer, and examines the role of the artist in times of war. Reviews: 'No writer is better placed than Chinua Achebe to tell the story of the Nigerian Biafran war ... [The book] makes you pine for the likes of Achebe to govern ... We have in *There Was a Country* an elegy from a master storyteller who has witnessed the undulating fortunes of a nation' Noo Saro-Wiwa, *Guardian* 'Chinua Achebe's history of Biafra is a meditation on the condition of freedom. It has the tense narrative grip of the best

fiction. It is also a revelatory entry into the intimate character of the writer's brilliant mind and bold spirit. Achebe has created here a new genre of literature' Nadine Gordimer 'Part-history, part-memoir, [Achebe's] moving account of the war is laced with anger, but there is also an abiding tone of regret for what Nigeria might have been without conflict and mismanagement' Sunday Times About the author: Chinua Achebe was born in Nigeria in 1930. He published novels, short stories, essays, and children's books. His volume of poetry, *Christmas in Biafra*, was the joint winner of the first Commonwealth Poetry Prize. Of his novels, *Arrow of God* won the New Statesman-Jock Campbell Award, and *Anthills of the Savannah* was a finalist for the 1987 Booker Prize. *Things Fall Apart*, Achebe's masterpiece, has been published in fifty different languages and has sold more than ten million copies. Achebe lectured widely, receiving many honors from around the world. He was the recipient of the Nigerian National Merit Award, Nigeria's highest award for intellectual achievement. In 2007, he won the Man Booker International Prize. He died in 2013.

ALTERNATIVELY FUELLED VEHICLES

Annotation A collection of nine contributions that cover such topics of alternative fuel technologies as liquified petroleum gas, electric and hybrid vehicles, fuel cells. Specific subjects discussed include clean fuel technology, alkaline fuel cells for road traction, manufacturing challenges of alternative fuelled vehicles (AFCs), and the development of the AFC market. All of the discussions of policy and programs are drawn from the UK. Distributed by ASME. Annotation c. Book News, Inc., Portland, OR (booknews.com).

ROBLOX: BUILD IT, WIN IT!

THE ULTIMATE GUIDE TO ALL THINGS ROBLOX

Afk An awesome guide to the game that has taken the world by storm: ROBLOX!

THE STRUCTURES AND REACTIONS OF THE AROMATIC COMPOUNDS

Cambridge University Press This 1954 book was the first to be devoted to the fundamental properties of the aromatic compounds as a whole. It describes the experimental and theoretical attempts to explain their structure and discusses their characteristic properties and the mechanism of their reactions. Heterocyclic compounds are included in Dr Badger's survey. Aromatic compounds are characterised by their cyclic molecular structure, their high degree of unsaturation and their stability. Coal tar is the chief source of aromatic compounds, but they are also made from crude oil and can be produced synthetically. Nearly all dyestuffs are 'aromatic', as are most of the common drugs and explosives. The book addressed

itself primarily to graduates and final-year undergraduates. It was also of interest to research chemists in the dyestuffs, pharmaceutical and explosives industries. As some complex aromatic compounds produce cancer on the skin of laboratory animals, cancer research workers will also have found it relevant.

CAR SUSPENSION AND HANDLING

John Wiley & Sons Incorporated Through appendices and diagrams, *Car Suspension and Handling, Fourth Edition*, outlines the purpose and history of vehicle suspension systems, while defining the basic parameters of suspension geometry. In addition, the book delves into human sensitivity to vibration and offers data on durability, tyre background information, steering calculations and suspension calculations. While always recognizing that there are differences in suspension requirements for different classes of vehicles and in various markets of the world for a given vehicle, this book focuses on the suspension and handling of cars or automobiles, as opposed to those characteristics of other types of road vehicles. Engineers in the automotive industry who are involved with handling analysis and design, students seeking more thorough understanding of the fundamental concepts and potential problem areas, and university/college libraries.

BOB AND TOM GET A DOG

"Siblings Bob and Tom get a dog with spots. This A-level story uses decodable text to raise confidence in early readers. The book uses a combination of sight words and short-vowel words in repetition to build recognition. Original illustrations help guide readers through the text."--

CITROEN BERLINGO & PEUGEOT PARTNER

Haynes Service and Repair Manuals This is one in a series of manuals for car or motorcycle owners. Each book provides information on routine maintenance and servicing, with tasks described and photographed in a step-by-step sequence so that even a novice can do the work.

A PURRFECT MATCH

Dreamspinner Press When a bad day at work culminates in losing out on a promotion, Jim Sanders shifts into his animal form to let off steam. Then his bad day turns into a bad night while prowling his Atlantic City neighborhood as a large gray house cat, he's caught in a torrential downpour. What little luck he has washes down the gutter when his new boss, Andrew Wright, catches him taking shelter on his porch, brings him inside, and starts calling him Mr. Frosty. As a feline, Jim becomes the inadvertent confessor for his boss's lonely son, Tony, a victim of schoolyard bullying. As a human, he feels drawn to Andrew, a man he wanted to resent. Finding love was never part of Jim's plan for the future-not with his bizarre secret-yet suddenly he finds himself navigating that minefield anyway. But not everything is easy, especially for an interracial gay couple dealing with prejudice in the workplace, at Tony's school, and even within their own families.
