## **SOCIAL STUDIES EDUCATION IN SOUTH AND SOUTH EAST ASIAN CONTEXTS**

---

**Routledge** The education of young people is context bound. This edited volume explores the contexts that characterise South and South East Asia and their influence on social studies education. There is not a single context across this broad geographical expanse, rather different religions, different political systems and different values exert influences that create distinctive programmes that characterise different countries. Yet there are also commonalities such as the post-colonial nature of most of the countries portrayed in this book, determined efforts at establishing new national communities and multiple value systems that lead to distinctive local priorities. There are also voices of resistance in these chapters, recognising the realities of local contexts but also recognising the need for change. Social studies education in these contexts may well be descended from its origins in North America, but in South and South Asian contexts, it has taken on new purposes, new forms and new values. Education researchers, policymakers and postgraduate students in comparative education will find the volume useful in its exploration and comparison of the social studies curricular and reforms that shaped them.

### PAKISTAN

---

#### MANIFEST DESTINY

---

**Epic PressLtd** Pakistan was once only an inspired vision. In 1947, through great sacrifice, a miraculous new nation was born. With its people energised and free, it seemed there was no height Pakistan would not scale. Now, many decades later, as we look back on years of strife, division and poverty cultivated by generations of misguided leaders, we find ourselves wondering how this glorious inheritance became so spoiled. Atif F Qureshi examines the causes of the calamity, in particular the explanation that trumps all others - the import of Western political, legal and economic systems. Detailing why these methods are wholly unworkable for an independent Muslim nation, he examines how Western concepts such as socialism and English Civil Law have led to crises ranging from economic stagnation to terrorist insurgencies. Yet the decline is not irreversible. Qureshi outlines policies that by returning to core Islamic values will revive, rejuvenate and revitalise this beautiful nation. From defence and the environment to education and banking, every aspect of national planning is explored. He shows how in spite of all the travails, Pakistan is well-placed for a glorious future. After all, a manifest destiny awaits...

## THE INDIAN MUSALMANS

---

---

## INTERNATIONAL MEDICAL GRADUATES IN THE UNITED STATES

---

---

### A COMPLETE GUIDE TO CHALLENGES AND SOLUTIONS

---

**Springer Nature** Thousands of international medical graduates come to the United States to start their career as physicians. Many of them, however, are not aware of the challenges and problems that they may encounter along the way. These difficulties can range from the language and cultural barriers to a lack of confidence and self-esteem. Many students are also unaware of the other career options besides getting into a clinical residency program. As a result of these issues, a great number of foreign medical students remain unmatched into the National Resident Matching Program. Not matching can be devastating for these graduates, both financially and medically. Students often suffer from psychological effects like major depression and generalized anxiety disorder. This book outlines the potential problems faced by these graduates and their possible solutions. Each chapter collects research evidence, interviews and surveys to gather information to work on each possible problem one by one and describes a solution in great detail. Comprised of thirty chapters, each chapter is broken down into smaller sub-sections to investigate the main theme in depth. Issues addressed include the different types of international medical graduates and their lives in the United States, differences in the education system and healthcare system, the triangle of residency, language and cultural barriers, lack of professional contacts, confidence, self-image and self-esteem issues, and restriction to specific fields and career paths. Written by experts in the field, *International Medical Graduates in the United States* is a first of its kind text that addresses the biggest issues faced by foreign medical graduates in today's world.

## **MCQS AND EMQS IN SURGERY: A BAILEY & LOVE COMPANION GUIDE**

---

**CRC Press** With over 1000 questions, MCQs and EMQs in Surgery is the ideal self-assessment companion guide to Bailey & Love's Short Practice in Surgery. The book assists readers in their preparation for examinations and to test their knowledge of the principles and practice of surgery as outlined within Bailey & Love. Sub-divided into 13 subject-specific sections, both MCQs and EMQs provide a comprehensive coverage of the surgical curriculum as well as the core learning points as set out in Bailey & Love: Each section emphasises the importance of self-assessment within effective clinical examination and soundly based surgical principles, while taking into account the latest developments in surgical practice. MCQs and EMQs in Surgery is an excellent companion to Bailey & Love and provides a valuable revision tool for those studying for MRCS.

## WE'VE LEARNT NOTHING FROM HISTORY

---

### PAKISTAN: POLITICS AND MILITARY POWER

---

In this book, Air Marshal (Retired) M. Asghar Khan presents an insider's view of Pakistan's struggle for democracy from the 1960s to the present. The book expounds on the early entry of Pakistan's armed forces into the country's politics and the author's opposition to military rule that began in 1968 with the Movement for the Restoration of Democracy. This movement resulted in the ouster of President Muhammad Ayub Khan in 1969 after eleven years of military rule. The author describes his continued opposition to autocratic and dictatorial rule, especially General Yahya Khan's policy of brutal suppression through military action in East Pakistan. He also recounts his strong criticism of the General's refusal to hand over power to Sheikh Mujibur Rehman and the Awami League - winners of the first-ever free and fair general elections held in Pakistan. The author recalls Zulfikar Ali Bhutto's rise to political power during the 1970s, and General Ziaul Haq's dogmatic and iron-fisted military rule during the 1980s, and elaborates on some pertinent features of Pakistan's domestic and international situation. The book concludes with the author's assessment of General Pervez Musharraf's five years in power consequent upon the re-entry of the armed forces in the country's politics in 1999, after a brief and tumultuous interlude with democracy.

---

### **A MIDSUMMER-NIGHT'S DREAM**

---

### **LORD OF THE FLIES**

---

### **NEW EDUCATIONAL EDITION**

---

**Faber & Faber** A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on Lord of the Flies by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent

thinking while guiding the student through the text - ideal for use in the classroom and at home.

## **ENGLISH LEGAL SYSTEM CONCENTRATE**

---

### **LAW REVISION AND STUDY GUIDE**

---

English Legal System Concentrate is written and designed to help you succeed. Written by experts and covering all key topics, Concentrate guides help focus your revision and maximise your exam performance. Each guide includes revision tips, advice on how to achieve extra marks, and a thorough and focused breakdown of the key topics and cases. Revision guides you can rely on: trusted by lecturers, loved by students... "I have always used OUP revision and QandA books and genuinely believe they have helped me get better grades" - Anthony Poole, law student, Swansea University "The detail in this revision textbook is phenomenal and is just what is needed to push your exam preparation to the next level" - Stephanie Lomas, law student, University of Central Lancashire "It is a little more in-depth than other revision guides, and also has clear diagrams and teaches ways to obtain extra marks. These features make it unique" - Godwin Tan, law student, University College London "The concentrate revision guides stand out against other revision guides" - Renae Haynes Williams, law student, Bangor University "The exam style questions are brilliant and the series is very detailed, prepares you well" - Frances Easton, law student, University of Birmingham "The accompanying website for Concentrate is the most impressive I've come across" - Alice Munnely, law student, Kings College London

Online Resources Packed with essential information, key cases, revision tips, exam QandAs, and more, English Legal System Concentrate is also supported by extensive online resources to take your learning further ([www.oup.com/lawrevision/](http://www.oup.com/lawrevision/)):

- Pinpoint which areas you need to concentrate on with the diagnostic test-
- Test your knowledge with the multiple-choice questions and receive feedback on your answers-
- Improve your essay skills using the outline answers for guidance on what to include and how to structure your answer-
- Revise the facts and principles of key cases using the interactive flashcards-
- Learn the important terms and definitions using the interactive glossary-
- Check that you have covered the main points of a topic using the key facts checklists-
- Achieve better marks following the advice on revision and exam technique by experienced examiner Nigel Foster
