times that God has asked Daniel to keep sealed and secret Da.12:4,9,10. In Matthew13:14-15 Jesus quoted what the prophet Isaiah said in Is.29:9-14. The book answers questions solely on God's written words by His Supreme Authority held in the Bible. People of all creeds in search of answers will benefits from it cause these are questions that all of us face, and they will be revealed by casting aside superficial beliefs. Combines through research and analysis of biblical verses to paramount questions that everyone must ask. like 1. concerning the rapture, people give their own opinion about it, which God forbids Jer.23:28-31; Is.55:8,9: for God's way isnot our way, His thought is not our thought. and Jesus Rev.22:18,19. by sayingthat they will go to heaven which is not in the Bible. 2. Did God promise to His people to send them to heaven? 3. Who is the Bride of the lamb? 4. Where will be the place that Jesus promises? 5. Where was Satan before his fall? 6. Are there any differences between Satan's plan Is.14:13,14 and those' who expect to go to heaven? 7. The reign of Christ on earth. Biblical Studies A to Z, Book 5

H-I

Createspace Independent Publishing Platform **It was in the year of 1976 that the Lord sovereignly and miraculously spoke to me to begin studying and publishing Biblical teachings to be shared with a world-wide audience. For the encouragement of the readership, let me recount this event that began with the first teaching the Lord gave me. As I was sitting at my desk in the pastor's study of the church taking care of administrative duties, suddenly and unexpectedly, the Lord spoke clearly, not audibly but rather in my spirit, to "clear the desk, get out a blank sheet of paper and pen because I want to teach you." The only things I had on my desk were a picture of my wife and sons, praying hands with thorns, and a calendar. It was such a shocking experience, that I really didn't know what he meant by "clearing the desk." So at first I just moved them around on the desk. Then I heard the Lord say, "I didn't say move them around, I said clear the desk!" So, I took these three items from my desk and moved them to my book shelf. In obedience to Him, I got out a blank piece of paper and a pen and just sat still at my desk, not knowing what to do next. Then the Lord began to teach me the following specific truths about His Word, the Scripture as recorded in the Holy Bible: 1. There is a thread that runs through the Bible from Genesis to Revelation on any given subject that contains the whole counsel of God. 2. When researching any subject, read and record every Scripture passage pertaining to that topic. 3. For every word in Scripture there is a balanced word, i.e. faith and works, heaven and hell, angels and demons, etc. 4. My Word is perfectly balanced. 5. Do not teach anything before you have the balance to that subject. 6. Record the entire Scripture passages and references on each subject. 7. Print out My Word directly from the Bible passages. 8. The best commentary on the Bible is the Bible. 9. Do not make this a commentary of your teachings but rather of My Word. 10. The Holy Spirit is the primary Teacher. 11. Only use Hebrew and Greek definitions of words to clarify word meanings. 12. The Bible does not contradict itself, so keep reading until the answer is found. 13. My Word is the "plumb-line" of Truth. 14. On either side of the "plumb-line" of Truth there are two ditches: Legalism and License. 15. The Truth sets you free and you are free indeed. What began as one teaching has developed into hundreds of teachings. It is to these principles and directives that I have adhered and have recorded the teachings He has revealed to me over the past 40 years.**

Most Treasured of All

Revealing Erroneous Embedded Doctrines in Conventional Theism

<u>CreateSpace</u> **I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women**

have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

Dead on Arrival

The Seven Fatal Errors of Sola-Scriptura (Bible-Only)

David L Gray **The Doctrine of Sola-Scriptura (Bible Only) teaches that Scripture (the Bible) alone is the sole source of authority for the Christian and the Church. Coined and promulgated by Martin Luther and John Calvin (1500's), this doctrine has become the ground-floor upon which all of the doctrine of Protestant-Christianity has been built. If it can be proven that Sola-Scriptura is in error and that it is an innovation to orthodox Christianity, the entire body of purely Protestant doctrine will be, subsequently, rendered void. Using Scripture itself, reason, and a spoon full of humor, David L. Gray (also called Yoseph Daviyd) brilliantly reduces the doctrine of Sola-Scripture to absolute absurdity; thus rendering all of Protestantism Dead on Arrival. This book is a must have for all Christians who love sacred Scripture and desire to use it as God intended. This the Second Edition - The changes to the text from the previous version include additional material, modification to images, and correction of typos.**

Manna for the Spirit

A 365+ Day Biblical Devotional

<u>Createspace Independent Publishing Platform</u> **A 365+ Day Biblical Devotional After 15 years of attending a Men's Bible study with my friends Wheeler and Paul, I decided to do an independent study of my own. I spend an hour each morning investigating real, tough, modern day biblical questions. After I get done, I try to distill the answers into a "Bible Minute" with a short introduction of the topic, a Bible verse or two or three and a short conclusion. I began posting these Bible Minutes on my Facebook page and before long I began to see true miracles. I heard stories of conversions, breakthroughs and restoration of relationships as a result of my studies. Make no mistake; I'm an average guy who just likes reading the Bible. I attended Bible College but after less than a year, I decided that my true calling was being a chiropractor so I'm no biblical scholar. I hope that my compiling the many studies I have done over the last few years and creating this book helps heal your soul, brings you closer to God, and allows you to grow a deeper relationship with Jesus. It is my prayer that this book provides the manna for your spirit, sets your soul free and becomes a true blessing in your life and in the lives of the people you gift this book to.
