RICK STEVES IRELAND 2017

Hachette UK You can count on Rick Steves to tell you what you really need to know when traveling in Ireland. With this guide, you can explore lively Dublin, quaint Kilkenny, and the moss-draped ruins of the Ring of Kerry. Navigate meandering back roads that lead to windswept crags on the dramatic Dingle Peninsula. Explore Ireland's revered past by following St. Patrick's footsteps to the Rock of Cashel. Marvel at Newgrange, the mysterious mound older than the pyramids; then connect with today's Irish culture by grabbing a pint at the local pub, enjoying the fiddle music, and jumping into conversations that buzz with brogue. Rick's candid, humorous advice will guide you to good-value hotels and restaurants. He'll help you plan where to go and what to see, depending on the length of your trip. You'll get up-to-date recommendations on what is worth your time and money. More than just reviews and directions, a Rick Steves guidebook is a tour guide in your pocket.

BELARUS

Bradt Travel Guides This new, thoroughly updated edition of Bradt's Belarus remains the only full-blown standalone guide to the most westerly of the constituent republics that formed the Soviet Union prior to the break-up in 1991. Written and updated by expert author and Russian speaker Nigel Roberts, who has been travelling throughout the country for over 17 years, it is the definitive guide to understanding, and making the most of a visit to this much-misunderstood nation. Included in this new edition is a detailed focus on the capital city Minsk, the most likely destination for first-time travellers and now becoming a major European capital city thanks to an easing of visa regulations, as well as coverage of each of the other five cities and all six regions. Roberts draws on his years of experience and shares many stories and vignettes of his own adventures and experiences of everyday life, all of which help to bring the destination to life. In addition, there are recommendations and tips from his wide circle of contacts, including people at all levels of the tourism industry, charities working on the ground, local people and travellers from abroad, who regularly share details of up-to-the-minute information, changes and developments. With Bradt's Belarus enjoy the opportunity to put the cliché to the test: only ever described by Western media as 'the last dictatorship in Europe', travellers certainly do have the opportunity to experience elements of life as it was lived in the days of the Soviet Union but can also see beyond the cliché as Belarus seeks to free itself from the Soviet past and establish its own heritage and place in the modern world. Discover beautifully preserved and restored museum towns such as Mir, Njasvizh, Novogrudok, Pinsk and Polotsk; see Soviet-style brutalist and modernist architecture; explore accessible national parks and vast areas of unspoilt wilderness, with ample opportunity to study flora and fauna; visit historic palaces and castles stunningly restored; and enjoy the unconditional hospitality of a people who are anxious to interact with visitors from the English-speaking world.

IRISH CUSTOMS AND RITUALS

HOW OUR ANCESTORS CELEBRATED LIFE AND THE SEASONS

Orpen Press Do you know what a Brideóg is? What could you cure if you licked a lizard nine times? Why is Whit Sunday the unluckiest day of the year? From the author of *The Irish Cottage* comes a new book, exploring old Irish customs and beliefs. Chapters focus on the quarter-day festivities that marked the commencement of each season: 'Spring: Imbolc'; 'Summer: Bealtaine'; 'Autumn: Lughnasa' and 'Winter: Samhain', and also major life events - 'Births, Marriages and Death Customs' - and general beliefs in 'Spirituality and Well-Being' and 'The Supernatural'. Focusing on the period from the mid-nineteenth to the mid-twentieth centuries, *Irish Customs and Rituals* discusses a time during which many of the practices and beliefs in question went into decline. Many of these customs were rooted in residual pre-Christian beliefs that ran parallel to, and in spite of, conventional religion practised in the country. Some customs were so deep-rooted that despite continued disapproval from the Roman Catholic Church they remain with us today. It is wonderful to see so many traditions still with us, as many are worthwhile remembering, commemorating, or even reviving today. *Irish Customs and Rituals* will appeal to all those with an interest in Irish history, folklore, culture and social history. Marion McGarry is the author of *The Irish Cottage: History, Culture and Design* (2017). She has a PhD in Architectural History and an MA in History of Art and Design and is currently a lecturer at Galway-Mayo Institute of Technology. She frequently writes articles about Irish social history and customs.

SCANDALOUS ERROR

CALENDAR REFORM AND CALENDRIAL ASTRONOMY IN MEDIEVAL EUROPE

Oxford University Press The first comprehensive study on the history of calendar reform and calendrical astronomy in medieval Europe, this volume draws on a range of sources over a period of more than 1600 years, from the Julian calendar of 46/45 BC to the Gregorian calendar reform of 1582, to shed new light on the place of astronomy in medieval intellectual culture.

LEGISLATIVE CALENDAR

BREXIT AND DEMOCRACY

THE ROLE OF PARLIAMENTS IN THE UK AND THE EUROPEAN UNION

Springer This volume addresses an important aspect of Brexit that has been ever-present in public debates, but has so far not received corresponding attention by academic scholars, namely the role of parliaments and citizens in this process. To address this gap, this book brings together an international group of authors who provide a comprehensive and multidisciplinary treatment of this subject. Specifically, the contributors, scholars from the UK and across Europe, provide diverse accounts of the role of regional, national and European parliaments and citizens from the perspectives of Law, Political Science and European Studies. The book is structured in three parts focused on developments, respectively, in the UK, in the parliaments of the EU27, and at the EU level. Beyond providing a comprehensive examination of the scrutiny of Brexit, the book utilises the insights gained from this experience for a study of executive-legislative relations in the European Union more generally, examining the balance, or lack thereof, between governments and parliaments. In this way, the book also speaks to some of the long-lasting, indeed perennial questions about the effects of constitutional provisions and political practice in the context of European democracy.

CELEBRATING THE SAINTS

DAILY SPIRITUAL READINGS FOR THE CALENDARS OF THE CHURCH OF ENGLAND, THE CHURCH OF IRELAND, THE SCOTTISH EPISCOPAL CHURCH & THE CHURCH IN WALES

Canterbury Press For every major feast, saint's day and commemoration in the calendars of the Anglican churches of the UK, this liturgical resource and spiritual companion offers a feast of readings that reflects the richness, depth and variety of the Christian tradition from the earliest years of the church to the present day. Writings from across the centuries represent the Eastern, Western, Roman and Celtic traditions and constitute a vibrant history of Christianity manifested in the lives of hundreds of holy men and women as diverse as first century martyrs, or twentieth century social reformers. A complementary volume to Exciting Holiness which provides scripture readings and prayers for the calendar, this is now updated to include the additional commemorations in the Church of England's calendar of saints.

FESTIVAL CITIES

CULTURE, PLANNING AND URBAN LIFE

Routledge Festivals have always been part of city life, but their relationship with their host cities has continually changed. With the rise of industrialization, they were largely considered peripheral to the course of urban affairs. Now they have become central to new ways of thinking about the challenges of economic and social change, as well as repositioning cities within competitive global networks. In this timely and thought-provoking book, John and Margaret Gold provide a reflective and evidence-based historical survey of the processes and actors involved, charting the ways that regular festivals have now become embedded in urban life and city planning. Beginning with David Garrick's rain-drenched Shakespearean Jubilee and ending with Sydney's flamboyant Mardi Gras celebrations, it encompasses the emergence and consolidation of city festivals. After a contextual historical survey that stretches from Antiquity to the late nineteenth century, there are detailed case studies of pioneering European arts festivals in their urban context: Venice's Biennale, the Salzburg Festival, the Cannes Film Festival and Edinburgh's International Festival. Ensuing chapters deal with the worldwide proliferation of arts festivals after 1950 and with the ever-increasing diversification of carnival celebrations, particularly through the actions of groups seeking to assert their identity. The conclusion draws together the book's key themes and sketches the future prospects for festival cities. Lavishly illustrated, and copiously researched, this book is essential reading not just for urban geographers, social historians and planners, but also for anyone interested in contemporary festival and events tourism, urban events strategy, urban regeneration regeneration, or simply building a fuller understanding of the relationship between culture, planning and the city.

DAY OF THE DEAD IN THE USA, SECOND EDITION

THE MIGRATION AND TRANSFORMATION OF A CULTURAL PHENOMENON

Rutgers University Press Honoring relatives by tending graves, building altars, and cooking festive meals has been a major tradition among Latin Americans for centuries. The tribute, "El Día de los Muertos," has enjoyed renewed popularity since the 1970s when Latinx activists and artists in the United States began expanding "Day of the Dead" north of the border with celebrations of performance art, Aztec danza, art exhibits, and other public expressions. Focusing on the power of public ritual to serve as a communication medium, this revised and updated edition combines a mix of ethnography, historical research, oral history, and critical cultural analysis to explore the manifold and unexpected transformations that occur when the tradition is embraced by the mainstream. A testament to the complex role of media and commercial forces in constructions of ethnic identity, Day of the Dead in the USA provides insight into the power of art and ritual to create community, transmit oppositional messages, and advance educational, political, and economic goals. Today Chicano-style Day of the Dead events take place in all fifty states. This revised edition provides new information about: The increase in events across the US, incorporating media coverage and financial aspects, Recent political movements expressed in contemporary Day of the Dead celebrations, including #BlackLivesMatter and #MeToo Greater media coverage and online presence of the celebration in blogs, websites, and streaming video Día de los Muertos themes and iconography in video games and films The proliferation of commercialized merchandise such as home goods, apparel, face paints and jewelry at mainstream big box and web retailers, as well as the widespread proliferation of calavera-themed decorations and costumes for Halloween 24 new full color illustrations

JOURNAL OF THE HOUSE OF REPRESENTATIVES OF THE UNITED STATES

Some vols. include supplemental journals of "such proceedings of the sessions, as, during the time they were depending, were ordered to be kept secret, and respecting which the injunction of secrecy was afterwards taken off by the order of the House".

A WORLD IN CONFLICT

THE GLOBAL BATTLE FOR RUGBY SUPREMACY

Geoff Parkes Power and influence in rugby is shifting away from its historical tie to international on-field success, much of it in the southern hemisphere, to the boardrooms of cashed-up, influential rugby clubs in the UK and France. A confused rugby calendar is subjected to a 'land grab' from clubs and national unions, all striving to maximise revenue. Player welfare concerns are cited by all and sundry, yet are cast aside as soon as there is a dollar to be made. Told through the eyes of rugby identities from around the world, this is a fascinating story of a once staunchly amateur sport now fully engulfed in the clutches of professionalism—the future uncertain and the fabric of 'the game they play in heaven' straining under the excesses and ambitions of rugby's new powerbrokers.
