## Coming Home

Pen and Sword A brutally honest portrayal of the realities of war, this novel relays the story of fifteen-year-old Thomas Elkin as he engages in the First World War. A tale of conflict, both global and personal, and of redemption, this novel has the potential to rank alongside the best of retrospective First World War literature. Accepting the blame for the accidental death of his recently conscripted brother, Elkin switches identity with his dead sibling and enters into the fray of the conflict. His burning ambition is to die a glorious death in his brother's name. Believing that in fully submitting to the reality of war he is atoning for his sins, he faces all the attendant horrors with a steel will and a poignant resignation. His personal conflict sees itself mirrored in the wider events and soon the two are inextricably linked raising issues of mortality, morality, guilt and faith. This novel enacts the kind of existential crises experienced on the battlefield with the constant threat of the imminent and fatal danger a companion. Written with deft skill and sensitivity for the subject matter at hand, this is a piece of stylish work that places the reader at the heart of the action. Featuring nuanced characters and vivid action scenes, it works to evoke a real sense of the times as the story unfolds.

## Coming Into Focus

### Another Collection of Stories

Gatekeeper Press In my first published book, **FALLING INTO PLACE** readers discovered all my stories take place in the same universe, that they are all connected. As a way of presenting my universe, I used the first book to introduce the darkness or the villainy. **COMING INTO FOCUS** introduces the protagonists, the various forces that will battle that evil. The "good guys," so to speak. These are the most reluctant of heroes, fighting the good fight out of necessity instead of altruism. You will meet original characters who display friendship, courage, fortitude and determination the likes of which you've never encountered. Of course, with each new story, the evil becomes greater and the odds of our "good guys" winning get smaller. Each one of these stories will show you an aspect of the human experience most people never see: imperfect and troubled people, put in unimaginable situations, struggling to do what's right. As always, they come with twists, turns and unexpected shocks. Come along for the ride with 6 captivating stories. But don't worry, you can enjoy all of them without having read the first book. If you have read the first one, you'll enjoy them even more!

## Blue Collar Players

Xlibris Corporation **Author Timothy Wright, wrote this book Blue Collar Players which stemmed from several reasons one top motive was his Inner desire that, he wanted it to become a reality - from mind to a book. Additional reasons where: 1) LIFE EXPERIENCES; (Others can relate too or see other aspects and perspectives) 2) LAUGHTER; He wanted to share laughter with many people, (In which he knows laughter is medicine for the soul). 3) LOVE; He wanted to share moments of innocent Love (Pure love experiences) 4) IMPRESSION; He wanted to share how others can Influence (Many can impact one s life either in positive and/or negative manner) 5) LUST; (Each person can experience lust even if that s not their focus in the beginning) 6) DECISIONS; Choices, Choices, Choices and Last Choices ( While we are free to choose our actions, we are not free to choose the consequences of our actions. We can try to avoid making choices by doing nothing, but even that is a decision. It's choice--not chance--that determines your destiny. ) 7) DELIGHT; overall the author wants everyone to get enjoyment from the reading of this book. ### Twilight Nights

## The Trials and Tribulations of the Game

Xlibris Corporation In writing this book I felt a need to explain how important it is that one knows himself/herself while growing up in life which as you can see I didn't. That inner feeling that I kept getting was the enemy trying to put me in a position I could never come out of. It controlled me during most of my life. There were always signs pointing to the right choices to make but when you are caught up in what you feel is the success of your life, you never pay attention to those signs, you go with the flow of the moment. Twilight Nights has a second part to it that will explain in detail that recognition of signs and how to respond to them so you are aware of who is leading you. It shouldn't take a life time to here your calling unless you've been transformed into one that has become a part of this world. Thank God he let me know I was not apart of this world just in this world and that's what saved me. This book is a very interesting read and for those that just like entertainment you will get a thrill out of this book but for those looking for something else there is a message in this message that only the spirit of God can reveal. The word of God says we fight against principalities and wicked spirits in high places. Learn to know God so you can stand against the wiles of the enemy and his Spirit will guide you into his truth. ENJOY

The Anointed Man

Christian Faith Publishing, Inc. **The Anointed Man is a story about the fall before the grace. It is not your typical "pastor falls from grace and regains favor from the Lord" story. The Anointed Man is the first book in The Anointed Man series that tells of an inner city pastor's fall before there was grace. It is a story about life, love, trials by fire, trials by man, and temptation. It is said that the devil has no new tricks, just new faces. In this book, you will see that old faces hide new tricks and new faces try old tricks. We all have a testimony, even The Anointed Man! About the Author Romans 8:28 says, "And we know that God works all things together for the good of those who love Him, who are called." Phillip Johnson answered that call by using the gifts given by Him to deliver a message for all the people. Phil has fused the harsh realities of life with biblical lessons and delivered a message that touches the soul and pulls on your heartstrings. Phillip writes with the intent of sending an impactful, inspirational, and motivating message of love, faith, hope, grace, mercy, and forgiveness. Having been blessed to over-come obstacles, setbacks, trials, and triumphs, Phil breaks through with a tome that has blurred the lines between reality and fiction and created a story that takes you back home; back to a time that was and a time that is""a story of The Anointed Man.**
