**Understanding Criminal Law** "This comprehensive and clearly written Understanding treatise is frequently cited by scholars and courts in their analysis of substantive criminal law, and has been a popular source of assistance to criminal law students for the past quarter century. Understanding Criminal Law is designed to be taught in conjunction with any casebook. The topics covered are those most often raised in criminal law casebooks, and coverage of these subjects is meant to complement professors' classroom discussions. The text focuses on the basic elements of, and defenses to, all crimes; provides in-depth coverage of such crimes as homicide, rape, and theft; and covers other important topics covered in the Criminal Law course, such as accomplice and inchoate liability. Understanding Criminal Law also covers theories of punishment, sources of the criminal law, and overarching principles such as legality and proportionality. The common law is emphasized with extensive comparisons to the Model Penal Code and modern statutes. This edition offers the most significant updating ever, including coverage of quickly changing legal areas, such as sexual assault and self-defense law. Recent revisions to the Model Penal Code are also covered"--

**Criminal Law and the Canadian Criminal Code Cases and Materials on Criminal Law** West Group Premised on the belief that criminal law is an exciting subject to learn and teach, this popular casebook provides a balanced and creative overview of classic and modern criminal law cases and issues while covering both common law foundations and modern statutory reform, including the Model Penal Code. The casebook invites classroom consideration of many controversies in the field (e.g., rape law, race-based jury nullification, Internet crime, and anti-stalking legislation) and defenses (e.g., battered women's self-defense). Using imaginative examples from literature and music to illustrate criminal law issues (e.g., examining insanity with Edgar Allen Poe's The Tell-Tale Heart and homicide with Willa Cather's O Pioneers!), the casebook allows law students to confront some of the Big Questions with which philosophers, theologians, scientists, poets, and lawyers have

grappled for centuries. **Cases and Materials on Criminal Law** Oxford University Press An array of carefully selected case report and academic article extracts combined with author commentary to provide a thorough and engaging assessment of criminal law provisions. **Unlocking Criminal Law** Routledge UNLOCKING CRIMINAL LAW will help you grasp the main concepts of the subject with ease. **Criminal Law Review** **Cross and Jones' Introduction to Criminal Law** Butterworth-Heinemann **Constitutional Law and the Criminal Justice System** **The Criminology of Criminal Law** Routledge The Criminology of Criminal Law considers the relation between criminal law and theories of crime, criminality and justice. This book discusses a wide range of topics, including: the way in which white-collar crime is defined; new perspectives on stranger violence; the reasons why criminologists have neglected the study of genocide; the idea of boundary crossing in the control of deviance; the relation between punishment and social solidarity; the connection between the notion of justice and modern sentencing theory; the social reaction to treason; and the association between politics and punitiveness. Contributors include Bonnie Berry, Don Gottfredson, David F. Greenberg, Marc Riedel, Jason Rourke, Kip Schlegel, Vered Vinitzky-Seroussi, Leslie T. Wilkins, Marvin E. Wolfgang, and Richard A. Wright. The Criminology of Criminal Law concludes with an analysis of the results of a study on the most cited scholars in the Advances in Criminological Theory series. This work will be beneficial to criminologists, sociologists, and scholars of legal studies. Advances in Criminological Theory is the first series exclusively dedicated to the dissemination of original work on criminological theory. It was created to overcome the neglect of theory construction and validation in existing criminological publications. **Simester and Sullivan's Criminal Law Theory and Doctrine** Bloomsbury Publishing Aimed at undergraduate law students seeking a firm grasp of doctrine and principle, this text combines theoretical precision and depth with a detailed exposition of the law. **Criminal Law and Procedure in New South Wales** This work is specifically designed to meet the needs of students who will be studying criminal law over one semester. Wickedness and Crime: Laws of Homicide and Malice seeks to expose the ways in which criminal law communicates and sanctions particular models of wickedness. This book illuminates the intimate relationship of crime and definitions of wrongdoing. A central contention of the book is that if a criminal legal system empty of normative content is undesirable and implausible, then we must think critically about the types of models of wickedness that are communicated by criminal legal doctrine. Through historical and contemporary analysis of the legal concept of malice, Penny Crofts examines the types of models of wickedness that are established through criminal legal doctrine. The book draws upon literature, philosophy and jurisprudence to place wickedness at the centre of an account of criminal law. Arguing that the current dominant idea of wickedness communicated in criminal law lacks nuance and clarity, this book examines the implications in terms of the legal subject, social responsibility and the jurisdiction of the legal system. Through historical accounts of malice the book provides resources to enrich a contemporary jurisprudence of blaming. A fascinating contribution to the study of law, this book will interest criminal legal scholars who seek a deeper understanding of the complexity of the relationship between law and morality. The book also provides a resource for legal theorists and philosophers of wickedness, supplying a sustained example and analysis of the implications of types of models of culpability. **Criminal Law Beginning Criminal Law** Routledge Whether you're new to higher education, coming to legal study for the first time or just wondering what Criminal Law is all about, Beginning Criminal Law is the ideal introduction to help you hit the ground running. Starting with the basics and an overview of each topic, it will help you come to terms with the structure, themes and issues of the subject so that you can begin your Criminal Law module with confidence. Adopting a clear and simple approach with legal vocabulary explained in a detailed glossary, Claudia Carr and Maureen Johnson break the subject of criminal law down using practical everyday examples to make it understandable for anyone, whatever their background. Diagrams and flowcharts simplify complex issues, important cases are identified and explained and on-the-spot questions help you recognise potential issues or debates within the law so that you can contribute in classes with confidence. Beginning Criminal Law is an ideal first introduction to the subject for LLB, GDL or ILEX and especially international students, those enrolled on distance learning courses or on other degree programmes.
