## Leaving Him Behind

## Cutting the Cord and Breaking Free After the Marriage Ends

**Ballantine Books** Based on over 200 interviews and 13 years of counseling experience, psychologist Sandra Kahn has written the first guide to offer help to women whose unresolved issues keep them emotionally bound to their ex-husbands, even years after a divorce is final. • Does your ex-husband still have the key to your house? • Does your anger about your divorce prevent you from trusting in new relationships? • Do you allow yourself to be seduced by your ex-husband and then hate yourself for letting it happen? If you said yes to any of the above, you may be a victim of the ex-wife syndrome. Psychotherapist Sandra S. Kahn has observed time and again that divorced women often find it difficult to separate from their ex-husbands, even when the marriage is over. Held captive by strong emotions—fear, anger, shame, even love—they relive the past when they need to make a break and forge a new, self-sufficient life. In *Leaving Him Behind*, Kahn helps women to recognize how they are still trapped by a marriage gone bad—and what they can do about it. She offers a step-by-step program to regain self-confidence and independence. Praise for *Leaving Him Behind* “Chock full of advice any divorced woman could use.”—*The Toronto Star* “Thoughtful . . . Helpful . . . Long-divorced women could benefit from [her] advice.”—*The Cincinnati Post* “How to transform . . . into a self-sufficient matriarch, capable of assuming full responsibility for oneself and one’s children . . . Useful hard-nose advice.”—*Kirkus Reviews*

## Cutting the Cord and Breaking Free After the Marriage Ends

## Together Till the End

## A Blueprint for Successful Marriage

**Partridge Africa** *Together till the End: A Blueprint for Successful Marriage* was written with an intention to inspire couples all over the world to keep their marriages together until the end of time. The high rate of divorce and domestic violence makes many people believe that marriage is a terrible thing, but this book carries the truth that will bring hope to millions of people around the world. It brings deep psychological insights and spiritual revelations that will open the readers eyes of understanding and bring restoration to broken marriages. It highlights how our differences should work for us and not against us. Despite the many challenges of life, marriages can still thrive, and this book was written to help you make it happen for your marriage.

## Marriage on the Mend

## Healing Your Relationship After Crisis, Separation, or

## Divorce

**Kregel Publications** *Approximately fifty percent of the couples who sign a marriage license will also sign on the dotted line of a divorce document. In order to turn the tide of this stark statistic, couples who have considered or experienced separation or divorce must be given real tools to reconcile, restore, and rebuild their relationships. Marriage on the Mend provides these tools for couples in crisis. Clint and Penny Bragg know what it means to be that couple. After being divorced for eleven years and living 3,000 miles from each other, they were remarried—but the difficult work of restoration continued long after that second ceremony. The Braggs know that couples who reconcile face a unique set of challenges, including unresolved arguments, poor communication habits, unforgiveness, and betrayed trust. Biblically based materials are required to walk through this treacherous territory toward full healing and restoration. This practical, realistic book identifies roadblocks that may stall relationship progress, recommends ideas to deepen intimacy, offers solutions to effectively handle past hurts and conflicts, and applies Scripture to every aspect of the process in order to proactively stabilize and safeguard the marriage. At the end of each chapter, the Braggs include a prayer for couples to share to help facilitate healing. The one thing all broken relationships have in common is that true healing takes time. Using the framework of Nehemiah's effort to restore Jerusalem's walls following the Israelite's exile and captivity, Marriage on the Mend provides a clear framework for the restoration of relationships.*

## Marriages and Families

### Diversity and Change

**Prentice Hall** *Taking an historical, cross-cultural, and global approach, this book focuses on the link between social structure and the everyday lives of people's diverse experiences of marriages, families, and intimate relationships. It shows how contemporary families go well beyond the traditional, heterosexual, two-parent, white, middle class family and heterosexual legally-sanctioned marriage; challenges the assumption that one culture's way of doing things is the "natural" or "right" way; shows how marriage and family life have changed historically over time and from place to place; and how political and economic globalization impacts families worldwide. Features extensive boxed material accompanied by questions for personal reflection. Marriages and Families Over Time. Ways of Studying and Explaining Marriages and Families. Understanding Gender: Its Influence In Intimate Relationships. The Many Faces of Love. Dating, Coupling, and Mate Selection. Sexuality and Intimate Relationships. Nonmarital Lifestyles. The Marriage Experience. Reproduction and Parenting. Evolving Work and Family Structures. Violence and Abuse. The Process of Uncoupling: Divorce in the United States. Remarriage and Remarried Families. Families in Later Life. Marriages and Families in the Twenty-first Century: U.S. and World Trends. For anyone interested in marriage and family dynamics, including individuals, counselors, nurses, social workers, home economists, etc.*

She is known for compassionate readings which are full of love. Kerry-Marie's inspirational story, which includes teachings from her powerful gift of mediumship, will reassure you of the spirit worlds existence and provide comforting evidence of life after death.*

## EMOTIONAL ABUSE IN MARRIAGE

### A GUIDE TO BREAKING FREE FROM TOXIC MARRIAGE, DECIDING WHETHER TO STAY OR TO GO & MOVING TOWARD HEALING TO FIND YOUR TRUE SELF REGAINING EMOTIONAL CONTROL

**REA INTERNATIONAL LTD** *Marriage is sacred. But what happens when "sacred" becomes "scared"? If you are in an abusive marriage, must you stay or go? People have so many reasons to stay in marriage, but so do those who chose not to stay in that kind of marriage. Despite being in a toxic marriage, it's understandable that individuals decide to stay married not to be part of the statistics. However, it's a harsh reality that some relationships come to a point when it becomes irreparable. There's no other way but to walk away. EMOTIONAL ABUSE IN MARRIAGE is a comprehensive guide for individuals going through this point of no return in their marriage. Abuse comes in many forms, and knowing each is crucial. Some people turn a blind eye to the signs; others are in denial, while others can't see the hard truth because of their partner's manipulation or other reasons. The book emphasizes the immediate need to see marriage clearly and knowing if your wedding is emotionally destructive. There are secrets to thriving marriages and*

relationships in general. Still, one also needs to identify patterns and factors that destroy its essence, causing damages to each other's being. This guide also stresses the role of God in every relationship, where and when to start changes, and self-assessment. It's right to try and save a relationship, but one needs to understand that, sometimes, testing can be destructive, too. Learn about other things that matter as well, such as: □ Building your core □ Preparing for sensible confrontation □ Learning to speak up and stand up in love and against destruction □ Acceptance when there are no changes □ Restoring relationships Every marriage is worth saving, but if a point comes when all efforts are accorded in vain... you know it's time to let go. Can you be whole and start over again? Yes, you certainly can! Never lose your self-worth, read *EMOTIONAL ABUSE IN MARRIAGE*, and get the right help.

## Catholic World

### Living Beyond a Broken Marriage

**Baker Books** What happens when a wife says, "I don't love you anymore"? What happens when a husband says he is going to move out? What does the partner do? How does he or she survive the devastation? Clinical psychologist Dr. David Hawkins offers heartbroken readers his straightforward yet sensitive wisdom for rebuilding their lives. He addresses the realities that reconciliation is not easy and may require separation first--or may not come at all. He helps readers work through their grief and the tough decisions ahead in order to heal their lives, whether or not their marriage is ultimately reconciled. Dr. Hawkins's trustworthy guidance offers compassion and hope to both partners in a failing relationship. Pastors and counselors will recommend this book to those facing this urgent yet rarely addressed struggle.

### Ending with the year 1857

### History of Chicago: Ending with the year 1857

### Power Over the Body, Equality in the Family

### Rights and Domestic Relations in Medieval Canon Law

**Wm. B. Eerdmans Publishing** The term "conjugal rights" has long characterized ways of speaking about marriage both in the canonistic tradition and in the secular legal systems of the West. This book explores the origins and dimensions of this concept and the range of meanings that have attached to it from the twelfth century to the present. Employing far-ranging sources, Charles Reid Jr. examines the language of marriage in classical Roman law, the Germanic legal codes of early medieval Europe, and the writings of canon lawyers and theologians from the medieval and early modern periods. The heart of the book, however, consists of the writings of the canonists of the High Middle Ages, especially the works of Hostiensis, Bernard of Parma, Innocent IV, and Raymond de Peafort. Reid's incisive survey provides a new understanding of subjects such as the right of parties to marry free of parental coercion, the nature of "paternal power," the place of bodies in the marriage contract, the meaning and implications of gender equality, and the right of inheritance.

### You Can Heal Your Heart

### Finding Peace After a Breakup, Divorce, or Death

**Hay House, Inc** In *You Can Heal Your Heart*, self-help luminary Louise Hay and renowned grief and loss expert David Kessler, the protégé of Elisabeth Kübler-Ross, have come together to start a conversation on healing grief. This remarkable book discusses the emotions that occur when a relationship leaves you brokenhearted, a marriage ends in divorce, or a loved one dies. It will also foster awareness and compassion, providing you with the courage to face many other types of losses and challenges, such as saying good-

bye to a beloved pet, losing your job, coming to terms with a life-threatening illness or disease, and much more. With a perfect blend of Louise's teachings and affirmations on personal growth and transformation and David's many years of working with those in grief, this empowering book will inspire an extraordinary new way of thinking, bringing hope and fresh insights into your life and even your current and future relationships. You will not only learn how to help heal your grief, but you will also discover that, yes, you can heal your heart.

## The Masculine Woman in America, 1890-1935

**University of Illinois Press** Focuses on late 19th- and early 20th-century American society, where, the author says, "the beginnings of modern sexuality and psychology intersect with the foundations of modern womanhood...." Suffragettes demanding social and political independence were often transformed by literature and the popular press into "masculine women" and female sexual "inverts." While Judith Halberstam's *Female Masculinities* (1998), say, focused on contemporary society and the idea of male masculinity, Behling (English, Gustavus Adolphus College) exclusively addresses an earlier time when sartorial and political masculinity in relation to the female body was often interpreted as a medical as well as political condition. Behling's documents include Gertrude Stein's early novel *Fernhurst*, Henry James' *Bostonians*, Dr. William Lee Howard's novel *The Perverts*, newspaper accounts, Hellen Hull's "Fire," Sherwood Anderson's *Poor White*, and the artwork that accompanied Djuna Barnes's satiric *Ladies Almanack*. ## Set Your Family Free

## Breaking Satan's Assignments Against Your Household

**Destiny Image Publishers** The modern family is under spiritual attack! In an increasingly hostile culture, traditional family life is mocked and marginalized. Children are bombarded with evil, dysfunction, and death. Too many homes have become a spiritual battleground where the sins of the parents morally pollute the next generation. As a parent, the well-being of your child is a sacred responsibility. Maintaining the emotional health and stability of your marriage is a necessity. Bob and Laura Larson have decades of experience in spiritual warfare, including exorcism and deliverance. They have ministered to tens of thousands worldwide while preserving a spiritually safe environment at home for their marriage and children. In *Set Your Family Free*, you will learn spiritual warfare strategies to raise children who are equipped to be victorious over the devils attacks. You'll also discover how to recognize a marriage in crisis and the steps to restore healthy, relational bonds. Other helpful tips include: How to heal a home in crisis and give your children a spiritually clean slate. Ways to speak blessings over your family with words that encourage and inspire. Ten unique prayers that break curses and free your family from generational evil. A frank discussion of intimacy and sexuality that couples must confront. Learn the skills of intentional parenting to prepare your children for spiritual battle. **YOUR FAMILY CAN BE VICTORIOUS OVER THE POWERS OF DARKNESS!**

## The Migration Conference 2017 Programme and Abstracts Book

**Lulu.com** The Migration Conference 2017 hosted by Harokopio University, Athens from 23 to 26 August. The 5th conference in our series, the 2017 Conference was probably the largest scholarly gathering on migration with a global scope. Human mobility, border management, integration and security, diversity and minorities as well as spatial patterns, identity and economic implications have dominated the public agenda and gave an extra impetus for the study of movers and non-movers over the last decade or so. Throughout the program of the Migration Conference you will find various key thematic areas are covered in about 400 presentations by about 400 colleagues coming from all around the world from Australia to Canada, China to Mexico, South Africa to Finland. We are also proud to bring you opportunities to meet with some of the leading scholars in the field. Our line of keynote speakers include Saskia Sassen, Oded Stark, Giuseppe Sciortino, Neli Esipova, and Yuksel Pazarkaya.

## Coercive Control

## The Entrapment of Women in Personal Life

**Oxford University Press** Drawing on cases, Stark identifies the problems with our current approach to domestic violence, outlines the components of coercive control, and then uses this alternate framework to analyse the cases of battered women charged with criminal offenses directed at their abusers.

## Readings in Christian Ethics

### Issues and Applications

**Baker Academic** Ethical interpretations meet real life. Case studies and readings explore divergent views on morals in action.

### Breaking Free

### The Broken Hearts Club

*Luna Kind has faced upset in her life, but through it all she has kept her sunny disposition, and her determination to succeed. But nothing could have prepared her for her marriage ending in the most unexpected way possible. Luna didn't know how to process all the changes so she sought out support wherever she could find it. Running out of places to turn, Luna joins a support group for women suffering loss... any kind of loss. Her newfound friends form so much more than a simple bond of tragedy, they form The Broken Hearts Club. Part shoulder to cry on, part advice column, and all cheering squad. It's only with their support that Luna can finally begin to rebuild some of her lost self-esteem. Things seem to be getting better, she and Alton are still the best of friends, and she's running her own hair salon. But even after two years, Alton's family is still hurling abuse Luna's way, blaming her for the marriage failing. Alton hopes that a little excitement in her life might cheer her up. Excitement that includes a blind date with a tall, broad shouldered firefighter. Luna is convinced that it's all an impossible joke, until Ford Jameson turns up in her salon and all of the bravado she's built up flies out the window, and the walls around her heart begin to crumble.*

### Narcissistic Ex

## How to Break Free from Mind Manipulation, Recover from Abuse, and Put an End to Toxic Relationships with a Narcissist Person. Develop Empath for Others by Improving Your Social Skills

**Charlie Creative Lab** Are you trapped in an unhealthy marriage or relationship with a Narcissistic person? If you are in a relationship with a narcissist, and if you haven't figured it out already, they will never, ever change. Narcissists have an over-inflated sense of self and expect people to adore and admire them. When you ask that they alter their behavior, they perceive it as an injury to their ego, and then will punish you for any type of request. In many cases, a Narcissistic Abuse affects your identity and mental health on a very deep level for several years. In these cases healing from this type of trauma could become a very difficult and long process... ..but we don't want that. So, if your narcissist partner won't change, the only one that can do it are you. And you have to do it as quickly as possible. You have to react to this abuse. A guide like "Narcissistic Ex How to Break Free from Mind Manipulation, Recover from Abuse, and Put an End to Toxic Relationships with a Narcissist Person. Develop Empath for Others by Improving Your Social Skills" by Christian Silverman can really help you to find a solution to this problem. Here's a little preview of what you're going to learn: how to handle people with Narcissistic personalities how to deal with different types of Narcissists relationships (familial relationship, professional relationship, romantic relationship and platonic relationship) why you keep coming back to your Narcissistic partner how to co-parent with a Narcissist why are some people fruitful sources of Narcissistic supply and why they attract themselves ...and much, much more. You have to take action as soon as you can to finally stop your unhealthy relationship. Add to cart "Narcissistic Ex" by Christian Silverman!

## Erotic Marriage

## Break Free from the Negative Sexual Script and Improve the Sexual and Emotional Quality of Your Relationship

At one time in history, both religion and medicine held that sex was dangerous to our physical, mental, and moral health. Times have changed, and yet these earlier views still strongly impact us today. *Erotic Marriage* provides historical information and explores how religion and culture have shaped our sexual attitudes and behaviors. Bearing these factors in mind, it also offers guidelines for establishing a healthy sexual and emotional relationship. Information on the subjects of female orgasm and male sexual functioning will make it clear how couples can improve their sexual experience. Examinations of the difficult subjects of pornography, sexual addiction, erotica, and emotionally connecting with a partner will provide insights from a positive perspective. Liberate yourself from inhibition, fear, guilt, and shame. Improve your sexual life and your emotional connection to your partner. Become the lover your lover wants!

## Peasants Into Frenchmen

## The Modernization of Rural France, 1870-1914

**Stanford University Press** France achieved national unity much later than is commonly supposed. For a hundred years and more after the Revolution, millions of peasants lived on as if in a timeless world, their existence little different from that of the generations before them. The author of this lively, often witty, and always provocative work traces how France underwent a veritable crisis of civilization in the early years of the French Republic as traditional attitudes and practices crumbled under the forces of modernization. Local roads and railways were the decisive factors, bringing hitherto remote and inaccessible regions into easy contact with markets and major centers of the modern world. The products of industry rendered many peasant skills useless, and the expanding school system taught not only the language of the dominant culture but its values as well, among them patriotism. By 1914, France had finally become *La Patrie* in fact as it had so long been in name.

## A Passion for Christ

### The Vision that Ignites Ministry

**Wipf and Stock Publishers** *In a culture increasingly secular in its pursuits and indifferent to the voice of the church, how may we ignite the fire for ministry that will bring the gospel to the world? How can weary pastors be sustained amidst a climate of doubt and resistance? For more than half a century, three remarkable brothers have offered a vision that has inspired thousands in churches and seminaries. Today, their message remains fresh and relevant as we enter a new millennium. And for one reason: The Brothers Torrance share a passion for Christ--the Christ of the Scriptures, the Christ of the historic Nicene faith. These essays distill the essence of their thought, and shine with the clarity of their shared vision. A Passion for Christ is a light of encouragement for ministers and lay people elsewhere.*

## Heaven Has Eyes

### A History of Chinese Law

**Oxford University Press, USA** *"A history of Chinese law and justice from the imperial era to the post-Mao era, the book addresses the evolution and function of law codes and judicial practices in China's long history, and examines the transition from traditional laws and practices to their modern counterparts in the twentieth century and beyond. From the ancient times to the twenty-first century, there has been an enduring expectation or hope among the Chinese people that justice should and will be done in society, which is expressed in a popular Chinese saying, "Heaven has eyes." To the Chinese mind in the imperial era, justice was, and was to be achieved as, an alignment of Heavenly reason, state law, and human relations. Such a conception did not change until the turn of the twentieth century when Western-derived notions--natural rights, legal equality, the rule of law, judicial independence, and due process--came to replace the Confucian moral code of right and wrong, which was a fundamental shift in philosophical and moral principles that informed law and justice. The legal-judicial reform agendas since the beginning of the twentieth century (still ongoing today) stemmed from this change in the Chinese moral and legal thinking, but to materialize the said principles in everyday practices is a very different order of things that is much more difficult to accomplish, hence all the legal dramas including tragedies in the past one century or so. The book will lay out how and why that is the case"--*

### A Portrait of the American Jewish Community

**Greenwood Publishing Group** *This comprehensive picture explores the many issues confronting the American Jewish community today, including the desire to remain a distinct entity while also participating in the larger American culture.*

### Escaping the Racism of Low Expectations

**Post Hill Press** *I was a liberal by default. I asked no questions. I had no answers. I just pulled the lever to vote for Democrats as was expected of me. Most of my fellow Black Americans do not fully understand what the term "liberal" means, or who or what they are voting for. And, in turn they don't realize how harmful those "liberal" policies are to our freedoms and liberties as Americans. I was born into a culture that believes Black equals Democrat. A broken home, failed marriage, and a feeling of victimization fueled my need for inclusion, which the Democratic Party fulfilled. As an activist and member of the NAACP and Democratic Clubs in Harlem, the men I looked up to--the Rev. Jesse Jackson (whom I also campaigned for), Congressman Charlie Rangel, and Rev. Al Sharpton--reinforced the negative perceptions that shaped my world. But just like false prophets, the false narrative that has been spoon-fed to us by Black leaders, the Black community, the media, and progressive politicians has enslaved Blacks in a victimhood mentality and entitlement mindset. But my eyes were opened to reject victimhood and lack of accountability. My journey has proven to me that when you have clarity of conscience, love of God, and a deep-seated belief in America's goodness, your life will be enriched and your focus will change to one of accountability.*

## Alienation and Literature

### Discursive Maps in the West African Experience

**Xlibris Corporation** *Alienation and Literature is concerned with the problem of change in the society and how it is perceived by the West African writer. It aims to define and identify the various facets of alienation and demonstrate how they are manifested in the lives of people and in the imagination of creative writers. Critics of modern West African literature have concentrated their efforts on the cultural and political aspects of alienation. This is an attempt to analyze in addition, physical and economic alienation, how they have resulted in the growth or otherwise of the creative writer in particular and the society in general.*

### Happy Marriage for the Broke Couple

### How To Enjoy Life Without Breaking the Bank

**Independently Published** *Short, concise, precise. This book will not waste your time; it goes straight to the point and will improve your life substantially if you are broke, and even more if you are broke and in a relationship. Yes, you can be broke and still enjoy life to the fullest. You don't need to read books after books, articles after articles, on how to become successful and make tons of money. In the end, what we all want is to have the most enjoyable life ever. And that is totally possible while being broke! And you'll know how in this book. If you are broke but still want to have fun, travel, and enjoy life, read this book! Everything that's inside has been tested by myself and made me able to build the happiest life I could have ever dreamt of! This book is not about how to make more money. It's not about how to be more disciplined. It's not about how to follow a strict and boring budget. The tricks in this book are simple and easy to follow but can change your life drastically. Do you want more than 2 weeks of vacation each month? It's in there. Do you want to get married and have a beautiful wedding but have no savings? It's in there too. Do you want a place to call home that you love and where you can have friends over? Do you want to travel the world with, again, no money? Start reading now, I will show you how! Too many relationships fall apart because of money problems. Don't be the next one! You can be in love, both broke, and still have more fun in your life than any of the rich couples around you. Don't waste time waiting to become rich before you finally start enjoying everything life has to offer. You can enjoy it NOW. This book is not about a new philosophy of life, it only has facts, tricks that work for me and that will work for you too. Do you need more free time to take care of yourself? Of your loved ones? To work on your projects? For your hobbies? You will soon know how it is possible to have a full-time job that gives you a steady salary as well as more than 2 weeks off each month! This book comes after many of my friends and family kept on requesting my help so they can make the best of their lives, should it be for everyday tips or memorable travels on a tight budget. I made them save thousands of dollars through simple advices and tricks. Take advantage of them too! This book is primarily destined to couples who want to live to the fullest without breaking the bank because this is exactly what I am living so I am able to provide the perfect tools for those in the same situation. But single people who are broke will find lots of tips that will work for them as much as for couples! If you are broke, this book will probably be the best investment you've ever made in your life. You won't regret it. Trust me.*

**Content of the book:** - Getting more than 2 weeks off per month with a full-time job - Moving in a new place you love with a tight budget - Having an amazing wedding in 5 months with \$0 savings - Saving \$\$\$\$\$ on travel - And many other tips to enjoy life to the fullest without breaking the bank!
