## Rugby's Great Split

## Class, Culture and the Origins of Rugby League Football

[Routledge](#) Since it's first publication, Rugby's Great Split has established itself as a classic in the field of sport history. Drawing on an unprecedented range of sources, this deeply researched and highly readable book traces the social, cultural and economic divisions that led, in 1895, to schism in the game of rugby and the creation of rugby league, the sport of England's northern working class. Tony Collins' analysis challenges many of the conventional assumptions about this key event in rugby history - about class conflict, amateurism in sport, the North-South divide, violence on the pitch, the development of mass spectator sport and the rise of football. This new edition is expanded to cover parallel events in Australia and New Zealand, and to address the key question of rugby league's failure to establish itself in Wales. Rugby's Great Split is a benchmark text in the history of rugby, and an absorbing case study of wider issues - issues of class, gender, regional and national identity, and the impact of the commercialization and recent professionalization of rugby league. This insightful text is for anyone interested in Britain's social history or in the emergence of modern sport, it is vital reading.

## Oxford Dictionary of National Biography: Rippon-Rowe

55,000 biographies of people who shaped the history of the British Isles and beyond, from the earliest times to the year 2002.

## The Reiver

[Troubador Publishing Ltd](#) Woven around true events, an adventure story based in Carlisle and the Borders during the Great War. The story of an ageing Border Reiver's last raid before peace descends on the Borders until, with the coming of war, a new raider emerges whose acts of violence and terror leave a new generation of families 'bereaved'.

## 100 Years

## Māori Rugby League, 1908-2008

[Huia Publishers](#) **100 Years: Maori Rugby League 1908-2008** tells the story of the New Zealand Maori Rugby League Team from its origins in 1908 to the present day. The book covers major matches, along with biographies of prominent players and administrators. A rich collection of stories and interviews with former players tells the reader what really happened off and on the field. The book has been thoroughly researched with information coming from England, France, Australia and throughout New Zealand, and it is illustrated with over 200 images. There have been no books specifically written on Maori involvement with rugby league, until now. **100 Years: Maori Rugby League 1908-2008** is about players, administrators and whanau. It's about the fabulous moments, the glories of victory and the agonies of defeat, and it gives a comprehensive story of Maori participation in rugby league.

## Rugby League in Twentieth Century Britain

## A Social and Cultural History

[Routledge](#) Called 'the greatest game of all' by its supporters but often overlooked by the cultural mainstream, no sport is more identified with England's northern working class than rugby league. This book traces the story of the sport from the Northern Union of the 1900s to the formation of the Super League in the 1990s, through war, depression, boom and deindustrialisation, into a new economic and social age. Using a range of previously unexplored archival sources, this extremely readable and deeply researched book considers the impact of two world wars, the significance of the game's expansion to Australasia and the momentous decision to take rugby league to Wembley. It investigates the history of rugby union's long-running war against league, and the sport's troubled relationship with the national media. Most importantly, this book sheds new light on issues of social class and working-class masculinity, regional identity and the profound impact of the decline of Britain's traditional industries. For all those interested in the history of sport and working-class culture, this is essential reading.

## The Jungle Pecking Order: Where Are the Tigers?

[Lulu Press, Inc](#) The author is one of Castleford's most dedicated supporters. His personal experience following the club stretches back almost fifty years. In addition, he has endeavoured to educate himself about the early years of the team's fortunes, not least the achievements of the 1930s and the doldrums of the 1950s.

Sports around the World: History, Culture, and Practice [4 volumes]

History, Culture, and Practice

**ABC-CLIO** This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world: it also details how and why sports are played wherever they exist, and examines key charismatic athletes from around the world who have transcended their sports. • Nearly 900 entries cover most aspects of sport from around the world • Contributions from more than 200 distinguished scholars, such as Mark Dyreson, Henning Eichberg, Malcolm MacLean, S.W. Pope, and Rob Ruck • Entries on players, stadiums, arenas, famous games and matches, major scandals, and disasters • Lists of Olympic medalists for all events since 1896 as well as lists of winners of major events such as the FIFA World Cup and MLB World Series • Further reading selections provide direction for in-depth analysis of each event, sport, personality, or issue discussed

Encyclopedia of Traditional British Rural Sports

**Psychology Press** Compiled by leading researchers, the Encyclopedia of Traditional British Rural Sports is a comprehensive guide to the games, recreational activities and competitive events that emerged from the rural society of Britain's past. The first reference work on the subject to be published in a century, it provides an authoritative record of Britain's indigenous sports, and full discussion of the issues surrounding rural sports today.

Routledge Handbook of Global Sport

**Routledge** The story of global sport is the story of expansion from local development to globalized industry, from recreational to marketized activity. Alongside that, each sport has its own distinctive history, sub-cultures, practices and structures. This ambitious new volume offers state-of-the-art overviews of the development of every major sport or classification of sport, examining their history, socio-cultural significance, political economy and international reach, and suggesting directions for future research. Expert authors from around the world provide varied perspectives on the globalization of sport, highlighting diverse and often underrepresented voices. By putting sport itself in the foreground, this book represents the perfect companion to any social scientific course in sport studies, and the perfect jumping-off point for further study or research. The Routledge Handbook of Global Sport is an essential reference for students and scholars of sport history, sport and society, the sociology of sport, sport development, sport and globalization, sports geography, international sports organizations, sports cultures, the governance of sport, sport studies, sport coaching or sport management.

## Keegan Hirst, Batley and a Year in the Life of a Rugby League Town

[Random House](#) **\*\*Shortlisted for the 2018 General Outstanding Sports Book of the Year\*\*** One of the founder members in 1895 of what became the Rugby League, Batley was once a thriving centre of commerce, one of the bustling mill towns in the Heavy Woollen District of West Yorkshire. More than 120 years on, times have changed, even if the town's Victorian buildings remain, but one constant is the importance of the club as the centre of the community. And in 2016, the Batley Bulldogs brought more than their fair share of pride to the town. They were Underdogs, but gave their professional Super League rivals a run for their money in a season that surpassed all expectations. Given unprecedented access to the team - players, staff and fans - Tony Hannan charts a fascinating year in the life of a lower-league club, of labourers spilling blood and guts on to Batley's notorious sloping pitch before getting bruised bodies up for work on a Monday morning, of hand-to-mouth existence at the unglamorous and gritty end of British sport. And at their centre is the Bulldogs captain Keegan Hirst, the first rugby league player to come out as gay, and inspirational coach John Kear, just two men in the most colourful cast of characters. It was also a year when the town was plunged into tragedy by the brutal murder of local MP Jo Cox, a great supporter of the club. Underdogs is more than just a book about Batley though. It is the story of northern working-class culture, past and present, and a report from the front-line of a society struggling to find its identity in a changing world.

## Being Eddie Waring

## The Life and Times of a Sporting Icon

[Mainstream](#) To those of a certain age, Eddie Waring's trademark trilby and contorted vowels conjure golden memories of 1970s light entertainment: an era in which a humble rugby-league commentator with a comical accent could line up alongside stars such as Morecambe and Wise. At the height of his success, Waring was regularly referenced on Monty Python's Flying Circus and imitated by impressionist Mike Yarwood, and he cohosted ratings smash It's a Knockout. Yet, many fellow northerners viewed Waring's on-screen persona as an embarrassing regional stereotype. To his critics, he was the unwitting stooge of an organization riddled with class snobbery and rugby-union bias, dedicated to keeping the 13-a-side code and, by extension, the north of England in its place. The truth was far less simple. Being Eddie Waring reveals how Waring was a true sports pioneer whose influence is still being felt more than 20 years after his death. Containing first-hand accounts from those who worked with Waring and knew him best, this book traces his childhood years in poverty-stricken Dewsbury through to his final days blighted by illness and shrouded in mystery. In doing so, it reveals a talented, pugnacious man who took rugby league into the nation's living rooms like no one before or since. Contributors include members of Eddie Waring's family, key rugby league figures Billy Boston and Alex Murray, Waring's former producer Dave Woods, and fellow rugby commentator Ray French.

## Best of British

## Hendo's Sporting Heroes

[Random House](#) Best of British is a celebration of the nation's greatest 100 sporting heroes, from Henry VIII to Red Rum, Roy of the Rovers to Torvill and Dean. Jon Henderson has combed through the annals of our glorious and not so glorious past to bring us the geniuses and the eccentrics, the national treasures and the villains who together have shaped our present. Trueman and W. G., Best and Edwards, racing drivers, jockeys, rowers - just what does it take to make a sporting superhero? Hendo's 100 reveals all. Opinionated and provocative, his witty character studies - accompanied by stylish illustrations - capture the essence of his subjects' greatness, re-evaluating the famous and rescuing the forgotten. But when there's a cast of thousands to choose from, and hundreds of years of history to explore, who will make the cut for the most heroic of the heroic? Find out, in Best of British.

### No Helmets Required

[eBook Partnership](#) Sixty years on from 1950s Los Angeles, *No Helmets Required* tells the story of 20 young American footballers convinced by entrepreneur Mike Dimitro to fly off around the world playing rugby league - a game they'd never even heard of. Miraculously, the American All Stars competed with the best Australia, New Zealand and France had to offer, and shocked the locals with some stunning victories. Yet beyond the media circus and celebrity adventures, the All Stars had fights and flings, suffered tragic illness and farcical court cases. Dimitro's mission to establish rugby league in the United States failed in spectacular fashion - though one All Star went on to win the Super Bowl, one became a Hollywood stuntman and another an Olympic champion. One player founded a church; another was murdered. The emergence of their remarkable story coincides with the USA's first ever qualification for the Rugby League World Cup, in 2013.

### Welsh Sporting Legends

[Random House](#) This collection of revealing profiles captures the essence of a galaxy of Welsh world-beaters from across the sporting spectrum: athletics, boxing, cricket, football, golf, horse racing, motor racing, rugby union, rugby league and tennis. Those featured include arguably the best Welsh rugby union player of the twentieth century; the greatest bowler never to play for England; the farmer's boy who became a master golfer; the Cardiff boy from Splott who made such a name for himself in Hull that they named a thoroughfare after him; the 'Gentle Giant' from Swansea still revered in Italy some 50 years after his last match for Juventus; the only post-war Welsh jockey to win the Grand National twice; and the unsung hero from the Rhondda who became the saviour of Manchester United in the weeks after the Munich air disaster. Their stories, based on exclusive interviews and coloured with anecdotes, will inspire future generations to believe that nothing is impossible.

A Kingdom United

Popular Responses to the Outbreak of the First World War in Britain and Ireland

[Oxford University Press on Demand](#) In this, the first fully documented study of British and Irish popular reactions to the outbreak of the First World War, Catriona Pennell explores UK public opinion of the time and successfully challenges the myth of British 'war enthusiasm'. *A Kingdom United* explores what people felt, and how they acted, in response to an unanticipated and unprecedented crisis. It is a history of both ordinary people and elite figures in extraordinary times. Dr Pennell demonstrates that describing the reactions of over 40 million British and Irish people to the outbreak of war as either enthusiastic in the British case, or disengaged in the Irish, is over-simplified and inadequate. Emotional reactions to the war were ambiguous and complex, and changed over time. By the end of 1914 the populations of England, Scotland, Wales, and Ireland had largely embraced the war, but the war had also embraced them and showed no signs of relinquishing its grip. The five months from August to December 1914 set the shape of much that was to follow. *A Kingdom United* describes and explains that twenty-week formative process. Pennell draws from a vast array of diaries, letters, journals, and newspaper accounts by the very people who experienced the war in its first dramatic five months. She outlines the variety of responses felt amongst both the ordinary people and elite figures from across the country.
