A DOOR INTO TIME

Life after his deployment with Army Special Forces was rough for Alex. His ex-wife thought he needed to stop disappointing their daughter, and she was right. He would try harder. With six hours before his little girl's fourth birthday party, he observed that the wall he'd been obsessing over in his basement was too short. Plenty of time to tear out a panel and look behind it. He found a brick wall. Behind that was another just like the first, and he still had time. When the second wall came down, Alex stood and stared at the shining doorway. Next to it, held up by a knife, was a note with a warning which he didn't heed. He is transported to a future unlike anything we've imagined, and Alex's fight to get back home becomes an epic struggle.

BOTH SIDES NOW

CreateSpace Every Love story has two sides. Just as she was flowering into her teens, life uprooted Dawn from the tanned crowds and sunny beaches of southern California. It transplanted her into rainy, rural Washington, where she strove to adjust, mature and thrive. Love came to Dawn--and was ripped from her by events and manipulations she could not control. But Dawn had a core of steel. An emotional castaway, she battled grimly through life's trials and sorrows, safeguarding her heart against further ravages. Then love reached out to Dawn once more--if she could find the courage and spirit to grab it with both hands, and this time, never let go. This is her story.

WHEN WE MEET AGAIN

Simon and Schuster Emily thinks she's lost everything...until a mysterious painting leads her to what she wants most in the world. The new novel from the author of international bestsellers The Sweetness of Forgetting and The Life Intended shows why her books are hailed as "engaging" (People), "absorbing" (Kirkus Reviews) and "enthraling" (Fresh Fiction). Emily Emerson is used to being alone; her dad ran out on the family when she was a just a kid, her mom died when she was seventeen, and her beloved grandmother has just passed away as well. But when she's laid off from her reporting job, she finds herself completely at sea...until the day she receives a beautiful, haunting painting of a young woman standing at the edge of a sugarcane field under a violet sky. That woman is recognizable as her grandmother—and the painting arrived with no identification other than a handwritten note saying, "He always loved her." Emily is hungry for roots and family, so she begins to dig. And as she does, she uncovers a fascinating era in American history. Her trail leads her to the POW internment camps of Florida, where German prisoners worked for American farmers...and sometimes fell in love with American women. But how does this all connect to the painting? The answer to that question will take Emily on a road that leads from the sweltering Everglades to Munich, Germany and back to the Atlanta art scene before she's done.

Along the way, she finds herself tempted to tear down her carefully tended walls at last; she's seeing another side of her father, and a new angle on her painful family history. But she still has secrets, ones she's been keeping locked inside for years. Will this journey bring her the strength to confront them at last?

COME LA PRIMA VOLTA

Babelcube Inc. Vivere e amare in una cittadina americana negli anni '70 Se ricordate ancora il vostro primo amore, il primo appuntamento e il primo bacio, allora Come la Prima Volta vi riporterà indietro a quei momenti. Corre l'anno 1976: Shawn incontra Dawn quando lei si trasferisce nella casa accanto. Ben presto diventano amici per la pelle, poi si innamorano l'uno dell'altra. Shawn è un tipo estroverso, appassionato di libri, Dawn è bella e riservata. La loro storia romantica giunge al termine, quando i genitori di Dawn gli impediscono di rivedersi. Non lo faranno - per 27 anni, finché un fortuito incontro non li trascina in un vortice di emozioni e di ricordi. Potrà il tenero legame di quel primo amore non soltanto sopravvivere, ma addirittura rafforzarsi? Come la Prima Volta vi farà vivere la magia dell'amore acerbo nell'America degli anni '70. Non importa quanto cambi il mondo, alcune cose - la musica senza tempo, i balli scolastici, le tenerezze scambiate sui sedili posteriori di una Chevy Vega e, naturalmente, il vero amore - dureranno per sempre.
