#### SPENSER GOES TO EL PASO

---

A small dog, Spenser, and his mother explore the history and geography of El Paso, Texas. He learns about the Rio Grande, mission trail, and smart desert plants. He visits the White Sands National Monument, H &H Car Wash and Cafe, and a Cinco de Mayo party in Mexico. He enjoys an aerial tram ride in the Chihuahuan Desert and handing out boxes of food with the West Texas Food Bank. This is the fourth in a series of childrenAEs books that offer children and the adults in their lives fascinating, challenging, and compassionate learning experiences about different cities and regions of the United States. These stories of Spenser base their appeal on his personality and the fact that he does very cool things with his traveling companion, his mother. Spenser possesses character traits that children can relate to and that adults want children to emulate: curiosity, compassion, and a sense of adventure. He details his travels so children can learn the history, culture, and geography of different parts of the US. He encourages children to participate in community activities to feed hungry children like the West Texas Food Bank. Spenser practices environmental stewardship and models good citizen behavior. In this book, Spenser learns about conserving water by turning off the faucet while brushing his teeth, something every child can learn to do. Activities and tasks in the book offer the opportunity to earn points. A 100% point score enables the young reader to become a member of SpenserAEs Honor Roll. This and other activities including free lesson plans for teachers can be found on his website at [www.spensation.com](http://www.spensation.com).

#### THE 15:17 TO PARIS

---

---

#### THE TRUE STORY OF A TERRORIST, A TRAIN, AND THREE AMERICAN HEROES

---

Hachette UK An ISIS terrorist planned to kill more than 500 people. He would have succeeded except for three American friends who refused to give in to fear. On August 21, 2015, Ayoub El-Khazzani boarded train #9364 in Brussels, bound for Paris. There could be no doubt about his mission: he had an AK-47, a pistol, a box cutter, and enough ammunition to obliterate every passenger on board. Slipping into the bathroom in secret, he armed his weapons. Another major ISIS attack was about to begin. Khazzani wasn't expecting Anthony Sadler, Alek Skarlatos, and Spencer Stone. Stone was a martial arts enthusiast and airman first class in the US Air Force, Skarlatos was a member of the Oregon National Guard, and all three were fearless. But their decision-to charge the gunman, then overpower him even as he turned first his gun, then his knife, on Stone-depended on a lifetime of loyalty, support, and faith. Their friendship was forged as they came of age together in California: going to church, playing paintball, teaching each other to swear, and sticking together when they got in trouble at school. Years later, that friendship would give all of them the courage to stand in the path of one of the world's deadliest terrorist organizations. The 15:17 to Paris is an amazing true story of friendship and bravery, of near tragedy averted by three young men who found the heroic unity and strength inside themselves at the moment when they, and 500 other innocent travelers, needed it most.

---

#### EDMUND SPENSER

---

Oxford University Press Edmund Spenser (?1554-99) was the greatest Elizabethan poet, whose Shepheardes Calender (1579) inaugurated a revolution in English poetry, and whose unfinished Faerie Queene (1590-6) was the longest and most accomplished poem written in the sixteenth century. In his approachable and informative study, Colin Burrow clarifies the genres and conventions at work in Spenser's poem. He explores the poet's taste for archaism and allegory, and the nature of epic and of heroism in The Faerie Queene. He presents Spenser as a 'Renaissance' poet who is drawn at once to images of vital rebirth and of mortal frailty. In clear, jargon-free prose he examines Spenser's equivocal relationship with his Queen and with the Irish landscape in which he spent his mature years. Spenser emerges from this book a less orthodox and harmonious poet than he is often thought to be, but as a complex, thoughtful, and attractive writer.

---

#### EDMUND SPENSER

---

Twayne Pub Perhaps ambivalence shapes all creative souls. In the case of the career of Elizabethan poet Spenser (1552-1599), Oram (Smith College) contends that Spenser's mixed relationship with the court of Elizabeth I informed his self-image as a poet. Dependent upon this patron for approval and land ownership, yet wishing to be more than a literary court jester, he extended his English poetic heritage with experimental forays into nearly every nondramatic

genre. His epic, *The Faerie Queen* is critiqued in the context of related shorter works--in the order in which they were published; his legacy is briefly discussed. Annotation copyrighted by Book News, Inc., Portland, OR

### **SPENSER AND VIRGILIAN EPIC**

---

Yale University Press This book dismantles the stereotype of Spenser as one who blurs earlier epic traditions. John Watkins's examinations of Spenser's major poetry reveal a poet keenly attuned to dissonances among his classical, medieval, and early modern sources. By bringing Virgil into an intertextual dialogue with Chaucer, Ariosto, and Tasso, and several Neo-Latin commentators, Spenser transformed the most patriarchal of genres into a vehicle for praising the Virgin Queen.

---

### **NATIONALISM AND HISTORICAL LOSS IN RENAISSANCE ENGLAND**

---

---

### **FOXES, DEE, SPENSER, MILTON**

---

Cornell University Press Andrew Escobedo here seeks to provide a new understanding of the emergence of national consciousness in England, showing that many Renaissance writers articulated their Englishness temporally, through an engagement with a history they perceived as lost or alienated. According to Escobedo, the English experienced nationalism as a form of community that disrupted earlier religious and social identities, making it difficult to link the national present to the medieval past. Furthermore, he argues, the English faced the nation's temporal isolation before the Enlightenment narrative of historical progress emerged as a means to interpret novelty in a positive light. Escobedo examines how John Foxe, John Dee, Edmund Spenser, and John Milton used narrative representations of nationhood to mediate what they perceived as a troubling breach in history, attempting to bring together the English past, present, and near future in a complete and continuous story. Yet all four authors also register their concern that historical loss may be an inevitable feature of a "modern" England, and they come to see their narratives as long tapestries that spontaneously rip apart as they grow, obliging the weaver to return to repair them. Focusing on Renaissance England's perplexing sense of its time-boundedness, Escobedo presents early national consciousness as stranded awkwardly between the premodern and modern.

---

### **EQUITY IN ENGLISH RENAISSANCE LITERATURE**

---

---

### **THOMAS MORE AND EDMUND SPENSER**

---

Taylor & Francis This book accounts for the previously inadequately explained transformation in the meaning of equity in sixteenth century England, a transformation which, intriguingly, first comes to light in literary texts rather than political or legal treatises. The book address the two principal literary works in which the transformation becomes apparent, Thomas More's *Utopia* and Edmund Spenser's *Faerie Queene*, and sketches the history of equity to its roots in the Greek concept of *epieikeia*, uncovering along the way both previously unexplained distinctions, and a long-observed esoteric meaning. These rediscoveries, when brought to bear upon the *Utopia* and *Faerie Queene*, illuminate critical though relatively neglected textual passages that have long puzzled scholars.

### **MARLOWE'S COUNTERFEIT PROFESSION**

---

### **OVID, SPENSER, COUNTER-NATIONHOOD**

---

University of Toronto Press Cheney argues that Marlowe organizes his canon around an "Ovidian" career model, or *cursus*, which turns from amatory poetry to tragedy to epic. The first comprehensive reading of the Marlowe canon in over a generation.

### **MIRROR AND VEIL**

---

### **THE HISTORICAL DIMENSION OF SPENSER'S FAERIE QUEENE**

---

Spenser not only dedicated *The Faerie Queene* to Queen Elizabeth but asserted that his romantic epic was in some sense about her rule and her realm. The informed attention that O'Connell gives to the relationship between Spenser's reflections on contemporary history and his moral design makes this volume a convincing reading of the great poem. The author shows how Spenser used Vergil as his model in celebrating and judging his own age. Originally published in 1977. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

### **SPENSER'S MONSTROUS REGIMENT**

---

### **ELIZABETHAN IRELAND AND THE POETICS OF DIFFERENCE**

---

Oxford University Press on Demand Spenser's *Monstrous Regiment* is a stimulating and scholarly account of how the experience of living and writing in Ireland qualified Spenser's attitude towards female regiment and challenged his notions of English nationhood. Including a trenchant discussion of the influence of colonialism upon the structure, themes, imagery, and language of Spenser's poetry, this is the first major study of Spenser's canon to engage with primary Gaelic materials in its assessment of his relationship with native Irish and Old English culture.

### **REFASHIONING "KNIGHTS AND LADIES GENTLE DEEDS"**

---

### **THE INTERTEXTUALITY OF SPENSER'S FAERIE QUEENE AND MALORY'S MORTE DARTHUR**

---

Fairleigh Dickinson Univ Press *Refashioning "Knights and Ladies Gentle Deeds"* seeks to offer a more determinate sense than traditional source study of just how much Spenser's *Faerie Queene* owed to Malory's *Morte Darthur*. Once widespread, the assumption of Spenser's debt to Malory came under enough heavy fire in the first half of this century to render it shunned. Until now, the only book-length study on the topic was Prof. Marie Walther's nineteenth-century German inaugural dissertation, *Malory's Einfluss auf Spenser's Faerie Queene*, which has never been translated into English. Though the question has received renewed interest in several recent essays by A. Kent Heatt, the disproportionately brief entry on Malory in the *Spenser Encyclopedia* demonstrates how much is yet to be learned about the relationship between these two dominant works of adjacent centuries. While not neglecting the question of direct borrowings, author Paul Rovang applies a theory of intertextuality to probe how the poet responded to the chivalric romance themes, conventions, materials, and structures which he encountered in the *Morte Darthur*. Both works are treated not as monoliths, but as links in a network of texts and other cultural phenomena relating to chivalry. In this way, a fuller sense is given not only of how vitally connected the two works are, but of how Spenser "refashioned" the transmitted ideals and symbols of Arthurian knighthood for his own age.

---

## SPENSER'S POETRY AND THE REFORMATION TRADITION

---

In this extended treatment of Edmund Spenser's place in the Reformation literary tradition, John King presents the poet as a rival of classical and Italianate literary predecessors by placing his work within a distinctively English context. Rather than follow those contemporaries who rejected the unpretentious devices of mid-Tudor satire and allegory, Spenser, it is shown, infuses them with sophisticated standards of the Continental Renaissance. King's study begins with the consideration of Spenser's debut as an innovator who, paradoxically, emulates "Chaucerian" precedent for pastoral satire. By revising critical opinions that identify an iconoclastic movement in *The Faerie Queene*, he demonstrates the constructive aspect of the Reformation attack against idolatry that underlies the pervasive inversion and mutation of iconic tableaux in the poem. This study culminates in a detailed reading of Book I of *The Faerie Queene* that addresses Spenser's reformation, within the all-inclusive frame of allegorical romantic epic, of deficient and worldly forms of romance, pastoral, and tragedy into a set of purged and elevated Christian counterparts.

## SALVAGING SPENSER

---

### COLONIALISM, CULTURE, AND IDENTITY

---

Palgrave Macmillan *Avoiding apology and attack*, Maley (English, U. of Glasgow) focuses on Spenser's (1552-99) formative experiences in early-modern Ireland. He examines such matters as the alleged censorship of the View, the relationship between it and Book V of *The Faerie Queene*, the Irish viceroyalty and the issue of absentee monarchism, the Munster Plantation, language and identity, and the limits of Anglo-Irishness. Some of the chapters have been published separately. Annotation copyrighted by Book News, Inc., Portland, OR

---

## SPENSER AND THE DISCOURSES OF REFORMATION ENGLAND

---

U of Nebraska Press *Spenser and the Discourses of Reformation England* is a wide-ranging exploration of the relationships among literature, religion, and politics in Renaissance England. Richard Mallette demonstrates how one of the great masterpieces of English literature, Edmund Spenser's *The Faerie Queene*, reproduces, criticizes, parodies, and transforms the discourses of England during that remarkable political and literary era. According to Mallette, *The Faerie Queene* not only represents Reformation values but also challenges, questions, and frequently undermines Protestant assumptions. Building upon recent scholarship, particularly new historicism, Protestant poetics, feminism, and gender theory, this ambitious study traces *The Faerie Queene's* linkage of religion to political and social realms. Mallette's study expands traditional theological conceptions of Renaissance England, showing how the poem incorporates and transmutes religious discourses and thereby tests, appraises, and questions their avowals and assurances. The book's focus on religious discourses leads Mallette to examine how such matters as marriage, gender, the body, revenge, sexuality, and foreign policy were represented—in both traditional and subversive ways—in Spenser's influential masterpiece. A bold and finely argued contribution to our understanding of Spenser, Reformation thought, and Renaissance literature and society, Mallette's study will add to the ongoing reassessment of England during this important period.

---

## MILTON'S SPENSER

---

### THE POLITICS OF READING

---

"Maureen Quilligan here examines Spenser's *Faerie Queene* and Milton's *Paradise Lost* in an attempt to define the means by which they move their readers, through the power of language, to make ethical and political choices. Quilligan addresses questions that deepen our understanding of the social instrumentality of these epic poems: How do the writers make rhetorical appeals to their readers? How can the reader's interpreting presence be detected in the

---

text? How do Spenser and Milton address arguments to readers specifically in terms of their gender? Asserting that Milton and Spenser were extraordinarily sensitive to the presence of the reader in their construction of narrative, Quilligan looks closely at Milton's appropriation of Spenser's techniques for implicating the reader's self-consciousness in the interpretation of the text. She demonstrates that both Milton and Spenser address specific political arguments to an identifiably female reader, and elevate sexual intimacy to the status of an epic subject"--Jacket.

### **SQUITTER-WITS AND MUSE-HATERS**

---

---

### **SIDNEY, SPENSER, MILTON, AND RENAISSANCE ANTIPOETIC SENTIMENT**

---

Wayne State University Press This study offers an approach toward Renaissance literary production, demonstrating that antipoetic sentiment, previously dismissed as an unimportant aspect of Tudor-Stuart literary culture, constituted a significant shaping presence in Sidney, Spenser and Milton.

---

### **RADICAL SPENSER**

---

---

### **PASTORAL, POLITICS AND THE NEW AESTHETICISM**

---

This book provides a radical reading of Edmund Spenser and argues for a re-orientation in Renaissance criticism. It begins by critiquing the new historicist hegemony in Spenser studies, and, through a series of detailed readings, proposes alternative strategies for interpreting the texts of this pivotal Renaissance author which include a politicised 'new aestheticism', eco-criticism, and pastoral theory. Unlike most non-new historicist studies, Radical Spenser argues that Spenser's texts demand a reading at once political and sensitive to aesthetic surprise. Following a polemical Introduction which establishes Spenser's centrality to key problems in contemporary Renaissance studies, Richard Chamberlain shows that William Empson's ideas about pastoral are vital for an understanding of Spenser and early modern literature. The following chapters discuss Spenser's use, in *The Shepheardes Calender*, of a distinctively 'pastoral' logic to problematise the relationship between literature and criticism; the ways in which this method informs *The Faerie Queene*; the approach, in the central books of the epic, to textual and state authority; and the final books' exploration of political experience. Finally, by demonstrating the complexity of the critically neglected prose treatise *A View of the State of Ireland*, the book offers an eco-critical perspective on Spenser's place in the natural and cultural environments of sixteenth-century Ireland. Key Features Theoretical intervention encouraging debate and analysis in Renaissance studies. Close analysis of key passages offers a new understanding of how Spenser's writing works. Broad coverage including readings of Spenser's major poems and his prose dialogue on Ireland.

---

### **SPENSER'S FAMOUS FLIGHT**

---

---

### **A RENAISSANCE IDEA OF A LITERARY CAREER**

---

Spenser begins his literary career with pastoral in *The Shepheardes Calender* and follows with the first instalment of his epic *The Faerie Queene*, but then inserts the Petrarchan love lyric, represented by *Amoretti* and *Epithalamion*, as a genre of renewal so that he can continue his epic; and eventually he turns from these courtly forms to a contemplative one, the Augustinian-based *Fowre Hymnes*.

## **A JESSE STONE MYSTERY**

---

Hachette UK 'One of the great series in the history of the detective story' New York Times Book Review There's trouble in Paradise, Massachusetts... Jesse Stone is an ex LA cop who has taken the job of police chief in Paradise, Massachusetts... and things are getting strange in Paradise. Stone is called to the junior high school when reports of lewd conduct by the school's principal, Betsy Ingersoll, filter into the station. Ingersoll claims she was protecting the propriety of her students when she inspected each girl's undergarments in the locker room. Jesse would like nothing more than to see Ingersoll punished, but her high-powered attorney husband stands in the way. At the same time, the women of Paradise are faced with a threat to their sense of security with the emergence of a tormented voyeur. Initially, he's content to peer through windows, but as times goes on, he becomes more reckless. It's up to Jesse to catch him, before it's too late. 'When it comes to detective novels, 90 per cent of us admit he's an influence, and the rest of us lie about it' Harlan Coben, bestselling author of Run Away

## **SPENSER, MARVELL, AND RENAISSANCE PASTORAL**

---

Cambridge, Mass. : Harvard University Press

---

### **EDMUND SPENSER**

---

### **PROTESTANT POET**

---

Cambridge University Press This book offers a fresh reading of Spenser's poetry in the light of his Protestantism. Previous critics have devoted much space to the poet's debt to the literature of antiquity and the Renaissance, as well as to his knowledge of Neoplatonism, mythography, and iconography; but less has been written about the imaginative consequences for his poetry of his Protestantism, largely conditioned by the Elizabethan religious milieu. Dr Hume seeks to illuminate Spenser's major poems, *The Shepheardes Calender* and *The Faerie Queene*, by placing them in a relevant context of Elizabethan Protestant thought and writings. Her detailed analysis shows how words, images and episodes in both poems come into focus when the reader takes account of sermons, biblical commentaries, devotional treatises and controversial works of the Elizabethan decades.
