#### **MRS. BLIGH**

---

*Independently Published No one of Miss Broughton's stories has given us so much pleasure as this; not even 'Nancy, ' which is probably her best; not even 'Doctor Cupid, ' which is no doubt the most interesting of her novels. In this novel she has been truer to this principle than in any other of her works, and it is this quality which makes us say 'Mrs. Bligh' will give more pleasure than any other of the series. The book is a truer picture of woman's love, of her sacrifice of it to a girl, and of the woman's only possible reward, than any Miss Broughton has yet given us. Time, practice, and a sense of literary art have produced in her a form of skill in writing which is apparent upon every page of her new story. How the story is worked out Miss Broughton's readers will see for themselves, and we repeat that she has given them a novel more worthy of remembrance than any she has yet writte*

**A READER'S GUIDE**

---

*McFarland "thoughtful and entertaining...highly useful...achieves its goal"—Booklist "may be the most thorough guide to the 60 novels published between 1920 and 1976...provides thoughtful and helpful commentary"—ARBA "a very worthwhile book for...a good encyclopedic introduction to the world of this most prolific and well loved crime author"—Reference Reviews "excellent"—GAAdetection "the writing is lively, the author's enthusiasm infectious"—Mystery Scene The most popular mystery writer of all time concocted a rich recipe of intrigue, character, and setting. All of Agatha Christie's 66 detective novels are covered here in great detail. Each chapter begins with general comments on a novel's geographical and historical setting, identifying current events, fashions, fads and popular interests that relate to the story. A concise plot summary and comprehensive character listing follow, and each novel is discussed within Christie's overall body of work, with an emphasis on the development of themes, narrative technique, and characters over the course of her prolific career. An appendix translates Poirot's French and defines the British idiomatic words and phrases that give Christie's novels so much of their flavor.*

e-artnow Australian outback had always fascinated the British colonial imagination when rags to riches stories of the British convicts and other social outcasts transformed the image of Australia as a gold digger's paradise (remember Abel Magwitch's story in Charles Dicken's *Great Expectations*?). This interaction which proved deadly for the aboriginal culture and population of Australia also impacted the British literature in a way that it had stories to tell of its incomprehensible wilderness and its inhabitants. This edition brings you an assorted collection of stories about the Australian outback and its people from the pen of a renowned British author – E. W. Hornung. Hornung had also lived and travelled in Australia for two years and unlike his contemporaries wrote a lot of stories with Australia in the background. E. W. Hornung (1866–1921) was an English author and poet and also brother-in-law to Sir Arthur Conan Doyle. Hornung is known for writing the A. J. Raffles series about a gentleman thief based on a deliberate inversion of the Sherlock Holmes series. Hornung dedicated his creation as a form of flattery to Doyle. Hornung's works are also remembered for giving insight into the social mores of late 19th and early 20th century British society.

### **MARJORIE BLIGH'S HOME**

---

---

## HINTS ON MANAGING EVERYTHING

---

*Text Publishing • In 2011 we were introduced to the life of Australia's original domestic goddess, Marjorie Bligh, in Danielle Wood's Housewife Superstar. Now here's HOME, an endlessly entertaining compilation of the very best of Bligh's famed self-published works, featuring home hints, advice, recipes, gardening and travel • Compiled by award-winning writer Danielle Wood from the many previously published books by Marjorie Bligh, including Marjorie Bligh's Homely Hints on Everything, Life is For Living: The Heartaches and Happiness of Marjorie Bligh and At Home with Marjorie Bligh: A Commonsense Manual of Home Economics and Beyond • Widespread national media campaign • Best known as the inspiration for Dame Edna Everage, Marjorie Bligh is an eccentric and unstoppable tour de force in the Australian home • Danielle Wood lives in Hobart and 94-year-old Marjorie Bligh in Devonport • Includes a special new foreword by Marjorie Bligh, new photographs and a vintage-inspired design using reproduced facsimile pages • A wonderful gift book to sit alongside the Australian Women's Weekly Cookbook and the DIY hit Meet Me at Mikes • Contains special celebrity contributions from Kaz Cooke, CWA head Merle Parrish, Barry Humphries, Brian Thompson and Marj-inspired blogger Abby Badcock, all sharing their favourite Marjorie Bligh home hints • 'I don't think Edna has ever admired anybody as much as she admires Marjorie Bligh.' Barry Humphries*

---

## BLIGH

---

*Penguin Random House New Zealand Limited In Bligh, the story of the most notorious of all Pacific explorers is told through a new lens as a significant episode in the history of the world, not simply of the West. Award-winning anthropologist Anne Salmond recounts the triumphs and disasters of William Bligh's life and career in a riveting narrative that for the first time portrays the Pacific islanders as key players. From 1777, Salmond charts Bligh's three Pacific voyages - with Captain James Cook in the Resolution, on board the Bounty, and as commander of the Providence. Salmond offers new insights into the mutiny aboard the Bounty - and on Bligh's extraordinary 3000-mile journey across the Pacific in a small boat - through new revelations from unguarded letters between him and his wife Betsy. We learn of their passionate relationship, and her unstinting loyalty throughout the trials of his turbulent career and his fight to clear his name. This beautifully told story reveals Bligh as an important ethnographer, adding to the paradoxical legacy of the famed seaman. For the first time, we hear how Bligh and his men were changed by their experiences in the South Seas, and how in turn they changed that island world forever. 'Remarkable . . . The mutiny has inspired some marvellous books, of which this is possibly the finest.' --Jim Eagles, New Zealand Herald*
