THE WRITINGS OF SAINT FRANCIS OF ASSISI

LIFE OF ST. FRANCIS OF ASSISI

Binker North Francis of Assisi is pre-eminently the saint of the Middle Ages. Owing nothing to church or school he was truly theodidact, and if he perhaps did not perceive the revolutionary bearing of his preaching, he at least always refused to be ordained priest. He divined the superiority of the spiritual priesthood. Saint Francis of Assisi (Italian: San Francesco d'Assisi), born Giovanni di Pietro di Bernardone, informally named as Francesco (1181/1182 - 3 October 1226), was an Italian Catholic friar, deacon and preacher. He founded the men's Order of Friars Minor, the women's Order of Saint Clare, the Third Order of Saint Francis and the Custody of the Holy Land. Francis is one of the most venerated religious figures in history. Pope Gregory IX canonized Francis on 16 July 1228. Along with Saint Catherine of Siena, he was designated Patron saint of Italy. He later became associated with patronage of animals and the natural environment, and it became customary for Catholic and Anglican churches to hold ceremonies blessing animals on his feast day of 4 October. He is often remembered as the patron saint of animals. In 1219, he went to Egypt in an attempt to convert the Sultan to put an end to the conflict of the Crusades.[6] By this point, the Franciscan Order had grown to such an extent that its primitive organizational structure was no longer sufficient. He returned to Italy to organize the Order. Once his community was authorized by the Pope, he withdrew increasingly from external affairs. Francis is also known for his love of the Eucharist.[7] In 1223, Francis arranged for the first Christmas live nativity scene.[8][9][2] According to Christian tradition, in 1224 he received the stigmata during the apparition of Seraphic angels in a religious ecstasy [10] making him the first recorded person in Christian history to bear the wounds of Christ's Passion.[11] He died during the evening hours of 3 October 1226, while listening to a reading he had requested of Psalm 142.

THE LITTLE FLOWERS

Pomona Press These three works form the chief sources of the saint's life and the beginnings of the Franciscan Order which he founded in 1212. Born at Assisi in 1182, St Francis embraced a life of holy poverty after a gay and sometimes extravagant youth. At the age of twenty-two he fought with great spirit and was taken prisoner in a petty feud between the town of Assisi and Perugia. During his captivity he reflected on his former mode of life, but attempted to take up arms once more on his recovery. However, a second illness intervened, and after a period in which worldly pleasure and spiritual counsels sought mastery and he finally determined to dedicate his life and work to God. Through pilgrimage, devotion, example and simple teaching he became one of the great Christian reformers. 'Whatever accretions of legendary material', says Fr McKay in his Introduction, 'have crept in here and there to heighten the colours of St Francis's portrait, they are undoubtedly in keeping with the total impressions which St. Francis made upon the world of his day.' Moreover St Francis was the very opposite of a sour Puritan: we are told he was the 'most joyous of saints, and would have no sad, long faces about him, and always rebuked any friar that was gloomy or melancholy.' He wanted his friars to be joculariores Dei ('the minstrels of God'). The Little Flowers is translated from the 'Fioretti', an Italian translation of a Latin original of which the earliest extant manuscript is one of 1390. It is a narration of miracle and hymn connected with the saint and his friars. The Mirror of Perfection is based on documents and memoirs left by Friar Leo, St Francis's favourite disciple, and was completed about 1318. St Bonaventure wrote the Life of St Francis c. 1260, intending it to stand as an authoritative Life and to supersede the numerous fragmentary biographies then in circulation.

THE LIFE OF ST. FRANCIS OF ASSISI

St. Francis of Assisi is one of the greatest and most recognizable saints in the history of the Church. His life was a mirror of the life of Christ. In a decadent age, filled with corruption, Francis became not merely an impetus for reform, but a living image of Christ in his virtue and in his flesh through the stigmata. Candide Chalippe's work is not merely biography, it is a spiritual classic written by an author filled with piety and love for Christ and His Church. This new publication edits Chalippe's work and presents it for modern readers in new chapter divisions, with artwork from the Basilica of St. Francis and Renaissance masters. This excellent biography takes us through Francis' entire life, as well as the progress and history of his order in Europe, Africa and the Middle East, compiling sources from all of the earliest authors.

MAKE ME AN INSTRUMENT OF YOUR PEACE

LIVING IN THE SPIRIT OF THE PRAYER OF ST. FRANCIS

HarperOne Kent Nerburn's Make Me an Instrument of Your Peace, immerses us in the spirit of one of the most universally inspiring figures in history: St. Francis of Assisi. The Prayer of St. Francis boldly but gently challenges us to resist the forces of evil and negativity with the spirit of goodwill and generosity. And Nerburn shows, in his wonderfully personal and humble way, how we each can live out the prayer's prescription for living in our everyday and less-than-saintly lives. "Where there is hatred, let me sow love...Where there is injury, let me sow pardon..." Expanding upon each line of the St. Francis Prayer, Nerburn shares touching, inspiring stories from his own experience and that of others and reveals how each of us can make a difference for good in ordinary ways without being heroes or saints. Struggling to help a young son comfort his best friend when his mother dies, moved by the courage of war enemies who reconcile, being wrenched out of self-absorbed depression by responding to someone else's tragedy, taking a spirited old lady on a farewell taxi ride through her town—these are the kinds of everyday moments in which Nerburn finds we can live out the spirit of St. Francis. By incorporating the power and grace of these few lines of practical idealism into our thoughts and deeds, we can begin to ease our own suffering—and the suffering of those with whom we share our lives. And, remarkably, find a way to true peace and happiness by tapping into our basic human goodness. As we open our hearts and embrace his words, St. Francis "touches our deepest humanity and ignites the spark of our divinity." Lord, make me an instrument of thy peace. Where there is hatred let me sow love, Where there is injury let me sow pardon, Where there is doubt, faith, Where there is despair, hope, Where there is darkness, light, And where there is sadness, joy... In this beautifully written book, Kent Nerburn leads us into the heart of the St. Francis Prayer and line by line demonstrates how St. Francis's words can resonate in our lives today.

SAINT FRANCIS OF ASSISI ILLUSTRATED

"Francis of Assisi is, after Mary of Nazareth, the greatest saint in the Christian calendar, and one of the most influential men in the whole of human history. By universal acclaim, this biography by G. K. Chesterton is considered the best appreciation of Francis's life--the one that gets to the heart of the matter. For Chesterton, Francis is a great paradoxical figure, a man who loved women but vowed himself to chastity; an artist who loved the pleasures of the natural world as few have loved them, but vowed himself to the most austere poverty, stripping himself naked in the public square so all could see that he had renounced his worldly goods; a clown who stood on his head in order to see the world aright. Chesterton gives us Francis in his world--the riotously colorful world of the High Middle Ages, a world with more pageantry and romance than we have seen before or since. Here is the Francis who tried to end the Crusades by talking to the Saracens, and who interceded with the emperor on behalf of the birds. Here is the Francis who inspired a revolution in art that began with Giotto and a revolution in poetry that began with Dante. Here is the Francis who prayed and danced with pagan abandon, who talked to animals, who invented the creche."

THE JOY OF THE GOSPEL

EVANGELII GAUDIUM

Image The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ.

"The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." - Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*
