You've let yourself go, so I'm letting you go too." When

Edward Middleton hears those words from Jane, his girlfriend of the past ten years, he knows he's in serious trouble. Determined to get her back, Edward must learn how to make women fancy him again. But what makes for a good boyfriend nowadays? Right now, he's the kind of man who puts the 'ex' into 'sexy'. One thing is certain: if he's to be Jane's Mr Right, he needs to turn himself into a bit of all right. From Atkins and Botox, Edward begins working his way through the makeover alphabet. But can cuddly Teddy really become sexy Eddie? Can he rise from the ranks of discarded exes? Or has his journey of self-discovery taken him in a different direction entirely?

The Nibble Theory and the Kernel of Power A Book about Leadership, Self-Empowerment, and Personal Growth Paulist Press The late author, one of the first women to enter the field of management consulting, experienced what she described as "nibbles"--little bites that life takes out of a person's self confidence. She offers a process for dealing with the world that moves the reader toward personal power and growth arising out of the unique values and strengths of each person. **Ebony EBONY** is the flagship magazine of Johnson Publishing. Christianity/Catholicism was mankind's first and oldest worldwide religion. According to author Gene Matlock, Christianity merely stepped into the shoes of an ancient existing worldwide religion of the same name. The infant Church did not begin to call itself Christianity until two or three hundred years after it was established. Before the Great Flood, Krishtayana was brought to India from Eastern Siberia by a highly civilized Turkish tribe called Kurus or Krishtaya. The Kurus were the world's first highly developed civilization, predating India, Egypt, and Sumeria. After conquering India, the Kurus went on to conquer the world, including Middle America. The Caribbean Indians told the Spanish that their gods were the Kurus-Rumani. Nearly all the Indian tribes of both Americas will find their respective tribes' Turkish and North Indian origins in this book. But what happened to keep Turkey from receiving credit as the founder of all human civilizations as well as the first religion? Christianity-Mankind's First Worldwide Religion! clears up many mysteries and shows that Jesus Christ really was all that Christians have been taught he was. **Transmedia Storytelling and the New Era of Media Convergence in Higher Education Springer** Stories, whether they are fact or fiction, popular or not, are a proven method of pedagogy. In the age of media convergence and with the advancement of technology, stories have morphed into new forms; however, their core purpose remains the same, which is to pass on knowledge and information. The internet, with its inherent interactivity, and story, with its inherent capacity to engage,

can lead to innovative and transformative learning experiences in media-rich environments. This book focuses on web-based Transmedia Storytelling Edutainment (TmSE) as an andragogical practice in higher education. Story is at the forefront of this investigation because narrative is the basis for developing entertainment media franchise that can be incorporated into pedagogical practice. The propulsion of this analysis consists of practice-based research through narrative inquiry and an e-module case study presented on multimedia storytelling in the classroom. A Transmedia Storytelling Framework is provided for creating screenplays for cross-media projects and for analyzing their appropriateness in education. Additionally, a hypertext screenplay, which allowed students to dig deeper into the story word and to build more knowledge, is evaluated for its use in higher education. Since screenplays are by nature writing for the screen, it is believed that the more visual the input, the more likely it is to be memorized and recalled. A link to The Goddess Within screenplay is available for download on the right hand side of this page.

Brisk Justice Win in Small Claims Court Or this Book Is Free Brisk Justice In Small Claims Court there's only one winner... Don't let your opponent rake you over the coals. It happened to me. Burned like toast! Now I'm fighting back the best way I know how ... by showing you how to fight and win in small claims court. If you're like most honest folks, the closest you've ever come to a courtroom battle is watching two people slug it out in front of television's Judge Judy. But chances are that you have already been wronged by some someone. Like it or not, you are going to have to defend your honor and reputation in front of a judge. Here's just a small sample of what you'll discover the minute you start flipping through Brisk Justice ...

- * The two keys to a successful outcome in any court case (and no, hiring an attorney is not one of them). page 7
- * Simple steps you can take to make the judge's life easier (helping the judge understand your case can make a huge difference in your favor).
- * How to rip apart your opponent's case (all perfectly legal ... \$300 an hour attorneys do it every day). pages 58-60
- * Five good reasons why you might want to settle out of court. (Hint: Even if you win the court battle, you could lose the war in other ways.) Read pages 96-99 to avoid making a big mistake!
- * The one thing you must never do in a court case (guaranteed ... if you miss this little detail, you'll go down in flames). The information in Brisk Justice is the super powerful ammunition you'll need to win in Small Claims Court. I believe in this book so much I proudly offer a money-back guarantee: You'll win your Small Claims Court case or this book is FREE. Just send me a message. I'll refund your money. Done and done. No questions asked. If you're being sued, the clock is already ticking. Get an answer to the court before the deadline or you lose. Here's more ...
- * Stupid little mistakes to avoid like the plague (make just one and you'll lose the case, hands down).
- * When and why you should bring your case to court even if the other party decides to settle at the last minute. Don't miss this little "insurance policy" on page 117.
- * Get all the lingo down pat - 19 legal terms you need to understand (they're not difficult ... just important). pages 13-16
- * Bad checks are a pain in the butt. In small claims court you can get the bum to pay the original amount of the check plus additional money for damages ... if you know how to do this. Flip to page 88.
- * The only time you should ever raise an objection to your opponent's testimony and why you should never say "objection, your honor!" It's on page 153.
- * Verbal promises are contracts enforceable by

law, but what I reveal about what's said after a written contract is signed will shock you! (Make sure you read this or you won't have a legal leg to stand on.) pages 62 and 69 * If you've been wronged you'll need to write a "demand letter" to the yellow dog. On pages 104-113 I show you how to write a legal and effective demand letter ... even if you flunked your creative writing course. I also show you how to write a killer response if you receive a demand letter. I include real samples. Way better than fill-in-the-blanks. * Why even a written contract is no guarantee you've got a winning case (it's a simple matter of law you need to know now!). If you're lucky, you'll be able to settle your differences the old fashioned way . with a handshake and an apology. Maybe it'll cost you a few bucks in the process. That's a BIG maybe. You see, today we live in a world where people end up in court over the least little thing. And once it gets to court it becomes a really big thing. If you're not up for the challenge, you could lose your shirt ... as well as your pride and your dignity. There's only one winner in a court battle. I'm here to help you come out on top. **The Space Case Files of Lt. Sylvia Stryker Polyester Press** The Space Case Files of Lt. Sylvia Stryker is a collection of four out-of-this-world cozy mysteries featuring amateur sleuth and uniform lieutenant Sylvia Stryker by national bestselling author Diane Vallere. FLY ME TO THE MOON - book 1 Sylvia Stryker wants to explore the galaxy. A family scandal kept her from leaving home. Can a white lie help her change her future? Sylvia Stryker used to help run her parents' dry ice farm, until her dad's arrest nearly left them bankrupt. But after finagling a job on board an outer space cruise ship, she's ready to explore all that outer space has to offer. With a private room in the staff quarters, her robot cat by her side, and the responsibilities of uniform management, Sylvia is thrilled to return to work--until she discovers the second navigation officer dead in the inventory closet. Neptune, the head of ship security, finds Sylvia's presence to be the most suspicious part of the incident; that's what happens when you hack your way into a last-minute job opportunity! But despite his efforts to pin the murder on Sylvia, she won't accept how the clues are unfolding. And if Sylvia doesn't expose the murderer on the cruise, then she'll never learn the truth about her family. Fly Me to the Moon is the quirky first cozy mystery featuring uniform lieutenant Sylvia Stryker. If you like unique characters, delightful plots, and cool space fashion, you'll love Diane Vallere's entertaining Space Case Cozy series. I'M YOUR VENUS - book 2 She lost everything but her job. He wants her to risk it all to protect his secret. Can she put aside her fears and start over? Sylvia Stryker is the least qualified member of the Moon Unit Crew. After what happened on her first cruise, the company owes her a second chance. But when a promotional contest for passengers turns deadly, she's at risk of repeating past mistakes. When Sylvia discovers the victim's relationship to the head of security, she suspects the death was no accident. Exposing clues would be easy if the close proximity to Venus wasn't interfering with her ability to focus! The planet heightens everybody's emotions, and this is no time for amorous inclinations to get in the way. Can Sylvia ignore her growing physical attraction to her boss to catch a killer? I'm Your Venus is the second book in the unique Space Case Cozy Mystery series. If you like quirky characters, out-of-this-world settings, and questionable science, you'll love Diane Vallere's Space Case cozy series. SATURN NIGHT FEVER - book 3 A secret message hidden in her robot cat leads Sylvia Stryker on a rescue mission to Saturn. Sylvia Stryker is making up for lost time. Picking up where her

formal education left off, she turns to unlikely sources to train her for simulated physical combat and mental strategy (while wear-testing a new, prototype uniform!). When an empty space pod lands by her training site and the body of a space courier is discovered inside, her simulated training goes to the test. Sylvia and her mentor hijack a spaceship, assemble a crew, and take on space pirates. But there's more to this mission than expected. Sylvia's focus on bringing a murderer to justice might lead her into a trap. Between the truth and the lies is a galaxy of questions. Can a rogue operation help Sylvia become the woman she's destined to be? *Saturn Night Fever* is the third wacky mystery adventure in the cozy Space Case mystery series. If you like humorous mysteries, unique characters, and spacey fun, you'll love Diane Vallere's imaginative book. *SPIDERS FROM MARS* - book 4 She wants to free her mentor from jail. A frame-up keeps him trapped in the system. Can she discover a killer before he disappears forever? Uniform Lieutenant Sylvia Stryker is about to take off on her fourth Moon Unit Cruise. Her family is gone, her planet was blown up, and her mentor, Neptune, is behind bars indefinitely. But when a space pirate is murdered inside the space prison and Neptune is assumed guilty, Sylvia might lose him for more than the duration of his sentence. Forget the stability of her job for Moon Unit Corporation. Losing one more person might leave Sylvia isolated forever. Faced with possibly-corrupt galactic government, a team of questionable freelancers, and the limits of her physical capabilities, she goes all-in to get him out. If she fails, she'll lose the only connection that gives her hope for the future. Can Sylvia design a successful mission on her own to save the person who taught her everything? *Spiders from Mars* is the fourth quirky adventure in the Sylvia Stryker Space Case Cozy Mystery series. If you like resourceful characters, unique settings, and outer space fun, then you'll love Diane Vallere's whimsical Space Case Cozy Mystery series. Buy *The Space Case Files of Lt. Sylvia Stryker* to blast off into out-of-this-world cozy-scifi-adventure mashup today! **Untamed Avalanche Ranch Press LLC** She never should've agreed to a girls' night out. *Untamed, Book Four, Eternal Brethren Military Romantic Suspense Series* Quinn "Wrangler" McCord is brash and impatient, known to push buttons, skirt tradition, and be counted on to stir things up. As the brother of the undercover motorcycle club's president, and one of the youngest members, he never pushes enough to damage his career as a Navy SEAL. Underneath the false front, all isn't jovial. Memories of a past mistake, one he can never rectify, haunt him, pushing him to take chances. Whether it's a mission or a new woman, he's always up for a challenge. Anything to help forget what he left behind. Rebecca North clawed her way out of a devastating breakup to become a respected paralegal. She's come a long way from the lost young woman who had few choices and little money, becoming confident, independent...and a mother. Her new job in Liberty Lake provides a great income and brings her closer to home and her mother. It never occurs to Becca her safe haven will be the place where her past and present collide. A short flirtation at the club's bar turns into an explosive reunion. Recovering quickly, he jumps at the chance to heal his mistakes. She can't turn him down fast enough, wanting nothing to do with the cocky motorcycle club member. A man who'll never be allowed back into her life. Intentions, though, are fragile. When Becca is threatened by the very men the Eternal Brethren are tasked to neutralize, Wrangler wastes no time spiriting her away. Protecting people from danger is something he's

trained to do. Overcoming the pain he'd caused isn't. Especially when the secret she never intends to divulge stands before him, his bright, searching eyes the same as his. Will a common cause be the thread which holds them together? Or will past mistakes and a secret life he can't share be too much for either to overcome? Untamed is the fourth book in the Eternal Brethren Military Romantic Suspense Series by best seller Shirleen Davies. It is a stand-alone, full-length novel with no cliffhanger and a guaranteed HEA. PLEASE NOTE: This series contains strong language common within the military. It is also a steamy romance with open door love scenes. Book 1: Steadfast Book 2: Shattered Book 3: Haunted Book 4: Untamed Book 5: Devoted

All Adam Masterson tried to do was the right thing—stop a psychotic man from hurting anyone else. While he may have succeeded, he also put himself in the crosshairs of the man's wealthy father, and Adam soon finds himself battered, homeless and unemployed.

When his mother is also evicted from her home, Adam packs up his car and takes Charlene, his mother, with him as he heads to Texas to plead for help from someone he isn't sure will help. When officer Les Stanton pulls over the beater car with Montana plates, he already knows who is in the vehicle. His friend Josh has been complaining about his partner, Nick, helping out the too-attractive blond from Montana. Les soon finds himself irresistibly drawn to Adam. Even his fear of Charlene can't keep him away. Now, if he can just let go of the past and learn to trust, he and Adam might have a chance-unless one wealthy man swearing vengeance destroys them both.

Negotiations with the Sniper AuthorHouse Mason Allyon Dwennon is mad- both angry with the world mad and strapped in a rubber room while wearing a Napoleon hat mad. Diagnosed as a manic-depressive schizophrenic, Mason exists as a self-exiled pariah, skirting the fringes of humanity as the sole member of his Square Peg Society. Divorced, alone, bitter, depressed, haunted by voices and visions and on the verge of suicide, Mason experiences a major psychotic episode and is hospitalized. There he is finally diagnosed as having dissociative identity disorder and found to have at least eight different and distinct personalities. Negotiations with the Sniper is a first person account of Mason's ordeal. The story details a three-year free association session with his imaginary psychiatrist (A wise-cracking, life-size plastic Barbie head who speaks with a thick German accent and refers to himself as Dr. Carl). As the story progresses, each of Mason's eight personalities reveals him or herself in their own voices as they search for the elusive something responsible for all of his suffering. To compound his problems, Mason continuously floats in and out of fugue states and has to reconcile missing periods of time. All too frequently, his habits are less-than well behaved during his mental lapses. In Mason's own words, "Many's the time I've had to stand before a screaming, slavering, red-faced employer, manager, shop foreman, neighbor, police officer, parent, sibling, spouse, in-law, teacher, first sergeant, nun, etc. and bear the tirade meant for one of my compadres, while unable to offer any reasonable excuse for my actions." Despite the sinister allusion to a concealed killer, the title actually refers to the cruel, thoughtless and oftentimes well-intentioned actions of those persons most influential in young Mason's life, responsible for triggering his psychotic responses.
