Fashionably Dead in Diapers

Hot Damned Series

And I thought being half Vampyre/half Demon was hard...That's nothing compared to being a mother. Sweet baby Moses in a boob tube, there aren't any books on raising True Immortals so let me give you a few tips... Make a map of every closet and bathroom in your home if you enjoy having sex. Sleep deprivation can cause confusion and a map will help if you only have seven minutes and thirty-one seconds. You're welcome. Parenting books are useless if you're not human. If your child is half Vampyre/ half Demon I would suggest not using parenting books at all--they can backfire like a mother humper. Trust me on this. Have sex. When your child tells you he has an imaginary friend, do not discount this as fantasy. Often times your child isn't imagining anything. If he persists with alarming and violent stories about this fictional buddy it's probably a Troll. Do a thorough search of your home and kill it. Decapitation works best. Some imaginary friends are harmless. However, it's wise not to take chances. Have sex again. When in large crowds, make sure you hold tight to your child's hand. Losing a child in an amusement park is terrifying. If you're truly paranoid a parent could consider putting a chip in their child. If you do this don't discuss it at dinner parties. People will think you are weird. At least cuddle. Playing with dolls is fun. Being one? No so much. If your child ever finds a Genie in a bottle, flush it immediately. Many children wish for things that are very difficult to reverse...like being doll sized. If this happens, move to Oz. There are many people of small stature there. And yes, it really does exist. Find a closet and go to town.

How Hard Can It Be?

Kensington Publishing Corp. **An “outrageous, profane, hilarious, sexy and all kinds of wacky” romantic comedy from theNew York Times bestselling author of Size Matters (Michelle Rowen, national bestselling author). What happens when an accountant decides to grab life by the horns and try something new? Apparently a pirate named Dave, a lot of pastel fleece, and blackmail—just to start with . . . Visualize and succeed, Oprah said. I was sure as hell trying, even if my campaign to score a job as the local weather girl had ended in a restraining order. Okay, TV was not my strength. But a lack of talent has never stopped me before. Which is why I've embarked on a writing career. I mean, how hard can it be to come up with a sexy romance? Leave it to me to wind up in a group of porno writing grannies who discuss sex toys and apple cobbler in the same breath. Also leave it to me to leak an outlandish plot idea to a bestselling author with the morals of a rabid squirrel. And only I could get arrested for a jewelry heist I didn't commit—by a hunky cop whose handcuffs just might tempt me to sign up for a life of crime. Maybe I've found my calling after all . . . “A zany over-the-top rompfest.”—Lexi George, author of Demon Hunting with a Sexy Ex “The most f*cked-up bag of wonderful crazy ever.”—Dear Author “If readers are in the mood for hilarious kinkiness woven through a fun romance, then this is the book to try.”—Long and Short Reviews (4 stars)**

Hell on Heels

More Than Fiends

a Fiendishly Funny Paranormal

Maureen Child **Can she save the world and cleans toilets, too? Worst. Birthday. Ever. Cassidy Burke's dog ate her breakfast, then her ancient washing machine finally died. Oh, and Logan Miller is back. First love, baby daddy to her genius daughter (won't he be surprised?), still so handsome he makes her hoo-hah tingle. Which is exciting but confusing because she's also getting serious flirting vibes from her latest client, Devlin Cole - a tall, dark, walking, talking orgasm. So forgive her if she's not exactly thrilled when a strange old lady barges into her house and insists that Cass's destiny is to hunt demons. A., she doesn't want to hunt demons, she wants to clean houses (and she doesn't really want to do that). And B., there's no such thing as demons. Except... they seem pretty real when they're coming after her. As if running a business and being a single mom wasn't enough, now she has to train to become a kick-ass Demon Duster, decide which hunk to do more than flirt with, and - oh, yeah - dodge the demons determined to kill her before she taps into her full power. All in a day's work...**

Fashionably Dead and Loving It

Book Fourteen, The Hot Damned Series

Being an undead Princess comes with baggage. And unfortunately, it's not Prada. Getting shredded in the Daily Fang, The Bloody Times and The National Dhampir is par for the course in the life of a royal Vampyre-especially mine. However, that's nothing compared to the sh%tshow unfolding in my life. My nightmares are coming true. Satan is throwing fits about changing diapers.The Baby Demons are full of cryptic messages. Martha and Jane have a sphincter obsession. There's a half-naked Demon in my closet with a mouth as foul as mine. On top of all that, we're hosting Demon-hating royal houseguests. Oh, and did I mention the Vampyre-eating-Zombies on the west coast? With Ethan by my side, along with new friends and a few well-hidden enemies, it's time to adjust my crown, put a few

Vampyres in their place, and kick some Zombie butt. I'm dead.Life is still good.I have unconditional love. And on most days, when I'm not covered in Zombie guts, I'm wildly fashionable. Fashionably dead, that is, and loving it.

The Nightlife New York

(Paranormal Romance Thriller)

Travis Luedke **The Nightlife Series** is violent, sexy, and occasionally violently sexy. Vampires, strippers, escorts, night clubs, pimps and dirty cops - the Nightlife New York is never boring. Aaron Pilan's life is forever changed when he's shot trying to rescue a drop-dead gorgeous woman on the streets of New York. Aaron is thrust into the shocking world of vampiric slavery when Michelle shares her blood to save his life. Michelle's existence as a solitary vampire is also altered when she accepts this naive young man into her life. Bound by her blood, Aaron is subject to her authority. He walks a tightrope of strictly controlled feeding regiments and intense sexual adventures while catering to the neurotic control-freak tendencies of his new master. She vows to eliminate him if he proves too difficult to control. This story is bold and evocative, infusing blood, sex, love and turmoil in an urban drama about two vampires battling evil outside and within themselves. >>> "If you like your vampires vicious and bloody, and your erotica with a plot, this is the book for you." >>> "Luedke brings his main characters to life, both incredibly flawed and powerfully charismatic, with a wonderful writing style, in this unique twist on the Vampire." >>> "This is unlike any vampire tale I have ever read, and is as far removed from Bram Stoker's Dracula, as New York is from Transylvania. Travis Luedke has fashioned a compelling tale of love, passion, violence and steamy hot sex, set against the backdrop of the Big Apple." Fashionably Dead and Wed

Book 7 Hot Damned Series

I know I'm already mated...I wanna get married.What do you get when you combine a three headed monster named Charles, a rotund, gay, dancing Demon named Doug, a culinary disaster baked by Mother Nature, a celibate premarital councilor named Jeff, an offer from Satan that's impossible to refuse and Steve Perry?You get the Royal Wedding from Hell-or to be more accurate-possibly in Hell.All I want to do is marry the Vampyre of my dreams with my closest friends and family in attendance. Yep, I know nuptials in the undead world are unheard of, but I'm still hanging onto my humanity if only by a thread. Being mated is great, but getting married is important to me.Tacky invitations and cake that causes food poisoning aside, I also need to deal with the stream of Demons entering my world from mysteriously opened portals. Not to mention Angel Jeff is going to fail us on the premarital test if we participate in any nookie before the wedding. I'm trying really hard not to go bridezilla on everyone. With five days to plan the wedding, I have figure out who's opening the portals and deal with our hostile allies who think our wedding is a farce. It's been a very difficult week-especially the no nookie part.All I know is this, I will say I do on Saturday even if it I have to go to Hell and back to accomplish it.

Fashionably Forever After

Createspace Independent Publishing Platform **A movie deal for the Devil's autobiography slash romance? Priceless. Maybe I should choose George Clooney to play me in the movie... No. Too gray. As much as I can't see anyone playing me but me, I have far more important issues on my agenda-like finding the woman who stole my soul. Well, not exactly stole... I might have made the switch and taken hers, but the Siren, Elle Rinoa, has my soul nonetheless. Maybe Brad Pitt would be a good Lucifer... No. Too blond. Fate and I are on a crash course with destiny looking for the one woman who can change both of our lives-mine for the better-Fate's for the worse. Never in my wildest imaginings did I think the Devil could have a happily ever after, but now I have hope. Maybe Jamie Dornan would do me justice... No. Fifty shades of wrong. Armed with a tremendously bad attitude and my two grumpy nieces in tow, I will find my woman and make her stay-even if I have to cuff her to me for the rest of eternity. Elle Rinoa is mine and as soon as she sees everything my way we will be fine. Maybe Dwayne Johnson would be an excellent Satan... No. Too bald. Whatever. With my insane mother proposing a disturbingly psychotic plan to find my girl and my father breaking every appliance in Heaven and Hell, I feel I have no choice but to go with my mother's half baked scheme. I've done crazy, but this one will take the cake or put me six feet under-for real. How about Joe Manganiello playing me... No. I'm prettier. My Siren doesn't know what's about to hit her. I play for keeps and I play to win. Of course I cheat, but that's neither here nor there. It's showtime folks.**

Fashionably Hotter Than Hell

Book 6 Hot Damned Series

Createspace Independent Publishing Platform **What does a Vampyre do when the woman he's chased for two hundred years is still trying to get away? He plays dirty. Welcome to my own personal Hell. A Fashionably Dead Christmas

Book Five the Hot Damned Series

Createspace Independent Publishing Platform **This is holiday paranormal romantic comedy novella for your reading pleasure! It's Christmas at the Cressida House and all Hell is breaking loose. Tree? Decorated and lit. Elf on a Shelf? Seated with style. Baby Jesus on the mantle? Fourteen neatly in a row. Life sized Nutcracker? Creepy, but standing proud. Invitations sent to entire immortal family to celebrate the holiday? Possibly the stupidest damn thing I've ever done. Mixing Heaven and Hell on my cousin's famous birthday seemed like such a brilliant idea. I wanted my baby's first Christmas to be special-memorable. I'd like chalk my heinous idea up to having been fallen down drunk, but that won't fly as it's insanely difficult for a Vampyre to tie one on. So instead I'll deal with obscene gifts from relatives, kidnapped rock stars and catering by Mother Nature. To complicate matters, our new family pet thinks the whole house is his toilet. Ethan and I can't even find a room with working lock on the door to spread a little holiday cheer. Never, never again. Christmas from now on will be at a freakin' spa for the undead-no poles for dancing and no slumber parties with the Devil. I just have to make it through the next twenty-four hours without beheading a beloved one. Merry freakin' Christmas-and Happy New Year.**

Ready to Were

Shift Happens Series Book One

I never planned on going back to Hung Island, Georgia. Ever. I was a top notch Were agent for the secret paranormal Council and happily living in Chicago where I had everything I needed - a gym membership, season tickets to the Cubs and Dwayne - my gay, Vampyre best friend. Going back now would mean facing the reason I'd left and I'd rather chew my own paw off than deal with Hank. Hank the Tank Wilson was the six foot three, obnoxious, egotistical, perfect-assed, best-sex-of-my-life, Werewolf who cheated on me and broke my heart. At the time, I did what any rational woman would do. I left in the middle of the night with a suitcase, big plans and enough money for a one-way bus ticket to freedom. I vowed to never return. But here I am, trying to wrap my head around what has happened to some missing Weres without wrapping my body around Hank. I hope I don't have to eat my words and my paw. ***This novella originally appeared in the Three Southern Beaches collection released July of 2014. This is an extended version of that story.

Witch Glitch

Magic and Mayhem Book Two

Witches and glitches and testicle obsessed cats... Oh my. One dilemma down and approximately 74,876,283 to go. I think being the Shifter Whisperer is hard-or Shifter Wanker as I enjoy referring to my new job-but healing wounded Shifters is easy compared to finding and eliminating the lurking freaking evil. Throw in a ghost, a potentially explosive ex-cellmate, a long lost dad and a smokin' hot werewolf who's convinced he's my mate, and suddenly it's party time-from hell. And this is my mission? Life is getting messy and I don't do messy. With feelings I didn't know I was capable of having, and the word love being thrown around like a football on Super Bowl Sunday, poofing away with a magical twitch of my nose is becoming more appealing by the moment. But to show I'm not a weenie, I'm gonna pull up my big girl panties and hurl some fireballs at Baba Yaga's older than dirt warlock posse if they don't pony up the info I need. If I don't burn the town of Assjacket down while trying to save it, I'm donning my red cape and playing who's the big bad wolf with a for real wolf who's hotter than any fireball. I just pray to the Goddess my heart doesn't get burned in the process...

Size Matters

Kensington Publishing Corp. A quest for Bigfoot and big love from the New York Times bestselling author of *How Hard Can It?* “For a good time, read Robyn Peterman!”—Michelle Rowen, national bestselling author A few hard truths . . . Don't bet on Hasselhoff, Bigfoot might actually exist, and searching for the impossible may lead you to your heart's desire . . . It's a big fat hairy deal when I lose yet another bet to my best friend, Rena. Not only do I end up attending Bigfoot meetings with her kooky Aunt Phyllis, I find myself traveling with a band of reality TV, Sasquatch-hunting nut-jobs! Not to mention a suspiciously shady film crew. As if those little nuggets aren't enough to send me on the express train to Crazytown . . . I stupidly swear off men! Clearly all this would mess up any gal's social life, but the worst part of the story? The minute I send my libido on vacation, I meet Mitch. Yep, Mitch, the sexiest cop ev-ah. The hottest, best kissing, finest tushied, SINGLE guy I've ever laid eyes on. I'd rather be hot on his trail than anything that involves the word Big or Foot. But sometimes what you're hunting for has been right in front of you all along . . . “Robyn Peterman has this fantastically kooky/dirty/off the wall sense of humor that totally turns my crank . . . If you want/need a slapstick-esque romance with adventure you need to read *Size Matters*.”—The Book Vixen “Incredibly funny and well written . . . All around it was just a romping good time!”—The Geeky Blogger's Book Blog

Cop a Feel

eKensington “Fast paced, laugh out loud fun” from the New York Times bestselling author of *How Hard Can It Be?* and *Size Matters* (RT Book Reviews). When you get time off for bad behavior, romance is the last thing on your mind—but good old-fashioned lust is a whole different story . . . Life undercover isn't exactly one big party—not when you're a DEA agent—but it sure beats a desk job. Except when you screw up big and someone has to go in and clean up after you. In that case, even paper-pushing sounds better than babysitting an erotic romance writer with as many enemies as there are euphemisms for “throbbing manhood.” I've been taking down drug dealers for so long, playing bodyguard to a woman named Shoshanna Lehump sounds like nothing more than a giant pain in my ass. And being partnered with the gorgeous egotistical jerk I never should have slept with in the first place just makes a bad situation even harder—especially when he pursues me as diligently as we're supposed to be chasing the bad guys . . . What's a girl have to do to get a happy ending anyway? Praise for the *Handcuffs and Happily Ever Afters* series “Outrageous, profane, hilarious, sexy and all kinds of wacky!”—Michelle Rowen, national bestselling author “A zany over-the-top rompfest.”—Lexi George, author of *Demon Hunting with a Sexy Ex* “Robyn Peterman has this fantastically kooky/dirty/off the wall sense of humor that totally turns my crank.”—The Book Vixen

Fashionably Fooled

The love of my dastardly immortal life is eating everything that isn't nailed down and tried to behead me over a chocolate croissant. While I take chocolate croissants very seriously, I do believe decapitation is somewhat harsh. My daughters, the Seven Deadly Sins, are driving me to drink. Getting them mated off and the hell out of Hell is at the top on my agenda. The one thing that is keeping me sane—sane being a relative word—is my upcoming special day. After living a millennium and never knowing the date I came to be, I have sussed out the information from my certifiably insane, pole-dancing mother. She's swears on her empty head that my birthday is April 1st. Soon, April 1st will mean something. I'm no fool. I plan to make my birthday far more famous than my do-gooder nephew's. That day in December will be forgotten when I get done making my womb eviction day the most important in the history of the Universe. I shall simply go about business as usual. Punishments must be doled out and chaos must be encouraged. A vacation would be lovely, but there is no rest for the weary... or the evil. Luckily I know how to have an outstanding time doing outrageously bad things. Thank Hades, I'm a handsome bastard. Oh, and Happy Birthday to me.
