time you try to access your WileyPLUS course you can either create an account with or without entering a Registration Code. If you create an account without using a registration code you will not be able to access the above material until you obtain one. The Registration Code is packaged for FREE with a new copy of your textbook at your campus bookstore. Alternatively, you can purchase a Registration Code by clicking on the "Buy" button above. Once you have your Registration Code, you can use it to access all the material available in your specific WileyPLUS course. Your lecturer will provide you with the URL for your class. Please write it down for future reference. The URL will have the following format: <http://www.edugen.wiley.com/edugen/class/> ____

STUDENT DATA 89% found the instant feedback and scoring on homework and quizzes to be beneficial 69% said it helped them get a better grade 80% said it improved their understanding of the material 76% said it made them better prepared for tests

STUDENT QUOTES "WileyPLUS is an amazing tool, I just wish it was available for all my classes!" Filiz Muharrem, Ohio State University "I loved the immediate response to homework problems and exams. I was able to find out what errors I had made, and go back to the chapters to research why I made the error. It made my learning much easier!" Theresa Klicker, University of Maryland, University College "Everything I needed was just a click away...that's how fast and simple it was. If I needed immediate help and I didn't understand a concept, it told me where to look." Caroline Cho, University of Texas-Austin "I felt WileyPLUS was a useful tool in understanding the chapters/problems. The "link-to-text" tool was very resourceful when solving the homework problems." Michael Geisheimer, Kean University "I was quite impressed with WileyPLUS. It was nice to be able to see what I did wrong and have more than one chance to answer a problem." Melinda Beach, Washburn University
