BEHIND THE SCENES IN THE INDIAN EXPRESS

CRICKETING CULTURES IN CONFLICT

CRICKETING WORLD CUP 2003

Routledge The 2003 World Cup was of vital importance to the participating countries. For India, a world cup triumph would make cricket the nation's leading industry; for the host, South Africa, a successful campaign might realize its dream of political unity. Dealing with themes of racial/political unification, commercialization, the media and globalisation, this book explores the role of cricket and sport in each of the competing nations. Looking at recent developments such as match-fixing, the abolition of the quota system and the performances of the South African national team, the collection examines the importance of the Cricket World Cup in providing a unified political, social and economic stage from which a united South African identity can finally emerge. The book also explores the role of the Cricket World Cup in relation to West Indian unity, Pakistani economic regeneration, Sri Lankan, Kenyan and Zimbabwean peace.

UNVEILING JAZBAA

A HISTORY OF PAKISTAN WOMEN'S CRICKET

Birlinn Ltd Jazbaa Definition: spirit, feeling, passion, desire, sentiment, emotion In 1996, Shaiza Khan led a Pakistan team on a tour of New Zealand and Australia. While the tour was a failure on the cricketing front, the singular act of eleven women wearing flannels and battling for victory in the faraway antipodes was a significant achievement. These women had - individually and collectively - worked to throw off the shackles of social and cultural decrees that had conspired to keep Pakistani women away from sport for years. Even more importantly, these players were harbingers of change who became heroic role models for women back home and all around the world. Unveiling Jazbaa tells the story of Pakistan's women's cricket, detailing the extraordinary journey the players have been on to

bring about change both in their country and in the sport itself. This is a tale told through the lens of society and politics, of personal battles and triumphs against the odds, of friendships and rivalries, of favours and revenge. Above all else, it is story of bravery and unerring will and a moving testimony to power of the human spirit. Foreword by Kamila Shamsie 'Compelling, ambitious, beautifully written and about so much more than cricket' - Tim Wigmore, The Telegraph and author of the multiple award-winning Cricket 2.0

ANOTHER PERSPECTIVE

HISTORY OF PAKISTAN CRICKET 1977-98

Troubador Publishing Ltd Another Perspective provides a unique point of view on the revamping and development of Pakistan cricket. With a focus on a critical time period (1977 to 1998) left mostly unexplored by the body of cricket historians, the publication seeks to delve deeper into the behind the scenes of cricket, not only as a popular sport, but as one of the most expansive entertainment industries of Pakistan. A communications industry veteran, Taher Memon stepped into the sporting sphere with a profile in advertising, marketing and communication with a multinational, and, over a period spanning two decades, left his own indelible mark on the cricket industry. Encouraged by Salim Parvez, cricket author and historian, he rose to the challenge of illuminating a phase of cricket history which featured, among many firsts of sports sponsorship in Pakistan, the memorable 1987 and 1996 World Cup events co-hosted by the Pakistan Cricket Board. Taher takes the reader through this previously uncharted territory, illustrating his account with factual evidence built on documents, photographs and video footage from his private archive. Through the lens of Pakistani culture and business, one can experience the social and patriotic dimensions of cricket and its proliferation across the nation. In a manner that is both authentic and captivating, he enables the reader to navigate the rapidly changing and challenging environment during this transformative time in cricket history. This first-hand account examines the driving forces behind the growth of cricket in Pakistan and the tireless efforts put in by a single sponsor, which lifted the game to a higher level. Bringing light to operations that typically occupy our periphery, *Another Perspective* expands the scope of cricket.

CRICKET, RACE AND THE 2007 WORLD CUP

Routledge Cricket has been subject to a number of changes over the last twenty years. We can no longer talk of a sport particular to an out-dated English way of life. Cricket has become global and has to exist within the global environment. Primarily the world game has become commercialised. This collection of essays assesses the developments within major playing nations between the World Cups. Do we now live in a world where commercialism is the primary factor in determining sports, or are wider historical prejudices still evident? Seeking to answer these questions, *Cricket, Race & the 2007 World Cup* focuses on racial and ethnic tensions and their place in the new globalized, cricketing environment. This book was previously published as a special issue of *Sport in Society*.

TRUE COLOURS

Macmillan Publishers Aus. Many critics believe Adam Gilchrist is the greatest wicketkeeper/batsman to have played the game, but Adam's huge popularity does not rest solely on his incredible track record. To his millions of fans around the world, it is the way he plays the game - rather than simply the sum of his achievements - that marks him out as one of the best-loved cricketers of his generation. He is both a swashbuckling batsman and record-breaking wicketkeeper, yet perhaps his true impact has come from the manner in which he plays his cricket - with an integrity and sense of values that many thought had departed the game forever. True Colours is his autobiography, and like the man himself it's incomparable. With unflinching honesty, intelligence, compassion and humour, Adam takes you into the world of cricket that few outside of the Australian team have ever seen. From his early struggles to establish himself, through to the giant achievements of the Australian test and one-day sides, True Colours offers an extraordinary window on Adam, on cricket's major stars and on the game itself.

A YEAR IN THE LIFE OF SOMERSET COUNTY CRICKET CLUB

THROUGH THE EYES OF ITS CHAIRMAN

The History Press Written from the unique point of view of the club chairman, *A Year in the Life of Somerset County Cricket Club* is the story of the highs and lows of county cricket. Somerset County Cricket Club was founded in 1875 and since then has provided its many members and supporters with countless memories. In recent years the Club has established itself as one of the leading clubs in England, closely competing for honours every season and developing many young players through its age-group and Academy system. The Club has simultaneously transformed its fortunes off the pitch, managing to redevelop the County Ground in Taunton without freighting itself with large debts. In October last year the ECB granted Somerset Provisional Category B status, meaning it can now progress towards hosting England ODIs and T20 fixtures, which will bring many benefits to the West Country. This book provides a captivating insight into the daily workings in and around the Club throughout 2012 as it meets numerous challenges and prepares future plans. All royalties from sales of this book have been kindly donated by the author to the Clowance charity that promotes youth cricket.

THE TALIBAN CRICKET CLUB

Atlantic Books Rukhsana, a spirited young journalist in Kabul, is summoned to the infamous Ministry for the Propagation of Virtue and Prevention of Vice to face its terrifying minister, Zorak Wahidi. A cricket tournament is announced, with the winning team to travel to Pakistan for training and then represent Afghanistan at an international level. In reality, the idea is ludicrous. The Taliban will never embrace a game rooted in civility, fairness and equality. And no one in Afghanistan even knows how to play cricket, except Rukhsana. The tournament offers hope - a means of escape for her brother and young cousins. And for Rukhsana, escape is essential - Wahidi wants to marry her, a frightening proposition which will enslave her in his home. With the help of her cousins, Rukhsana devises an audacious plan that could ensure their freedom. All they have to do is learn to play cricket - and win. A soaring novel of resilience, strength, hope and tenderness, *The Taliban Cricket Club* reveals how love can overcome, and outwit, the power of tyrants.
