THE MASTER OF WHITESTORM

Open Road Media This classic fantasy adventure from the acclaimed author of the Wars of Light and Shadow series “is storytelling at its best” (Raymond E. Feist, #1 New York Times-bestselling author). Chained at the oar on a Mhurgai galley, a sullen slave who never speaks is considered a madman by his fellow captives—until the hour Korendir announces a plan, which is certainly doomed to failure, for no one ever escapes the merciless Mhurgai alive . . . Korendir’s silence hides a devious intellect. And his benchmate, Haldeth, is desperate to end his cruel captivity, even if mercy comes to him under the murderous knives of the Mhurgai. When Korendir’s daring plan frees them both, Haldeth is compelled to follow his determined companion on an even more impossible quest: to lift a curse that despoils the kingdom of Torresdyr by recovering a legendary wardstone from a witch. His prize if he succeeds? A wizard’s treasure. If he fails? A grave with the legion of defeated champions before him. Far from content to retire from danger, Korendir’s restless nature will not embrace peace, his insatiable taste for impossible odds skating the thin edge toward insanity . . . “Powerful . . . Epic grandeur . . . Magnificent.” —Anne McCaffrey, New York Times-bestselling author “Feeling like an old-fashioned episodic adventure fantasy, the novel gradually reveals an underlying thread that explains the main character’s personality. Think Lethal Weapon in a complex fantasy setting.” —Tor.com “A large, varied, and original fantasy world, a unique magic concept, and a beautiful romance.” —Fantasy Literature

THE POLITICS OF NATION-BUILDING

MAKING CO-NATIONALS, REFUGEES, AND MINORITIES

Cambridge University Press What drives a state's choice to assimilate, accommodate or exclude ethnic groups within its territory? In this innovative work on the international politics of nation-building, Harris Mylonas argues that a state's nation-building policies toward non-core groups - individuals perceived as an ethnic group by the ruling elite of a state - are influenced by both its foreign policy goals and its relations with the external patrons of these groups. Through a detailed study of the Balkans, Mylonas shows that how a

state treats a non-core group within its own borders is determined largely by whether the state's foreign policy is revisionist or cleaves to the international status quo, and whether it is allied or in rivalry with that group's external patrons. Mylonas injects international politics into the study of nation-building, building a bridge between international relations and the comparative politics of ethnicity and nationalism.

CHILDREN OF EARTH AND SKY

Hachette UK Guy Gavriel Kay, bestselling author of the groundbreaking novels *Under Heaven* and *River of Stars*, once again visits a world that evokes one that existed in our own past, this time the tumultuous period of Renaissance Europe - a world on the verge of war, where ordinary lives play out in the grand scheme of kingdoms colliding. From the small coastal town of Senjan, notorious for its pirates, a young woman sets out to find vengeance for her lost family. That same spring, from the wealthy city-state of Seressa, famous for its canals and lagoon, come two very different people: a young artist traveling to the dangerous east to paint the Grand Khalif at his request - and possibly to do more - and a fiercely intelligent, angry woman, posing as a doctor's wife in her role of a spy. The trading ship that carries them is commanded by the clever younger son of a merchant family - with ambivalence about the life he's been born to live. And farther east a boy trains to become a soldier in the elite infantry of the khalif - to win glory in the war everyone knows is coming. As these lives entwine, their fates - and those of many others - will hang in the balance, when the khalif sends out his massive army to take the great fortress that is the gateway to the western world . . .

To suspend the Prime Matriarch's decree of execution, Arithon lives only to battle Marak's horde of free wraiths, unleashed one by one from the shielding grip of the star wards. But on the day the last wraith is redeemed, the inflexible terms sealed by Dakar's oath of debt will be forfeit. Against a backdrop in which the Religion of Light has undergone schism, the fanatical True Sect's high priesthood stands consumed by its thwarted ambition: to conquer Havish, the backbone of order that secures the terms of Paravian survival. Now Lord Mayor of Eterra, Lysaer's Ilessid must fight the pull of the Mistwraith's curse, and battle for sanity to uphold his just ethic. Another young defender will stand at his side, newly sworn by the Sorcerer's auspices. As Arithon's life once again becomes the fulcrum that shifts the game board, Elaira's choice might save or break the unstable future; while at large and answerable to no mortal law, Davien and the dragon that holds his service throw in the wild card no one predicts "
